KP15 Selector Detent Safety Instruction Guide

Introduction

Thank you for choosing the KP15 Selector Detent by KE Arms. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of this product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the KP15 Selector Detent is used only for its intended purpose.
- Keep this product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- In case of any concerns regarding the safety of this product, please report it to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- Always wear appropriate safety gear when handling or installing the KP15 Selector Detent.
- Avoid using the product if it shows any signs of malfunction or damage.
- Ensure that the detent is properly installed before operating the device it is intended for.
- Do not modify the product in any way that could compromise its safety or functionality.
- If you are unfamiliar with the installation process, seek assistance from a qualified professional.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools and ensure you have a clean, welllit workspace.
- Review the product specifications to ensure compatibility with your device.

2. Installation Steps:

- If disassembling, ensure the device is completely unloaded and safe to work on.
- Locate the selector detent housing on your device.
- Carefully remove the old detent if applicable, following the manufacturer's instructions.
- Align the KP15 Selector Detent with the housing.
- Insert the detent securely into place, ensuring it fits snugly without excessive force.
- Reassemble any components removed during installation.

3. Usage:

- Once installed, test the selector detent to ensure it operates smoothly.
- Familiarize yourself with the operation of the selector detent in conjunction with your device.
- Regularly check the detent for proper function and secure fit.

Disposal Instructions

- Dispose of the KP15 Selector Detent in accordance with local regulations regarding electronic waste and hazardous materials.
- Do not dispose of the product in regular household waste.
- If unsure about disposal methods, consult your local waste management authority for guidance.

Contact Information for Further Support

For any inquiries or concerns regarding the KP15 Selector Detent, please reach out to the appropriate support channels provided by the manufacturer. Always ensure you have the product details on hand for a more efficient response.

Thank you for your attention to these safety instructions. Your safety is our priority.
