## A Cleaning Mat Designed to Aid in Handgun Disassembly

TekMat revolutionized the firearm-cleaning market with its line of cleaning mats that were more than just protective work surfaces. These cleaning mats included diagrams and schematics of today's popular firearms, allowing users to get an inside look at their gun and easily disassemble and reassemble firearms. The company's new Ultra 20 Pistol Cleaning Mat continues this legacy with a few improved elements. Each TekMat Ultra 20 Pistol Cleaning Mat is constructed using a clear dye-sublimation printing technique that makes the mat waterproof, scratchproof, oil- and chemical-resistant and washable. The company's direct-vulcanization technique adheres the mat's surface to a rubber backing, which provides padding and durability. The complete line of TekMat Ultra 20 Pistol Cleaning Mats includes a parts list that matches the manufacturer's list of parts, so there's no chance of confusion, and you'll always know what part goes where and which parts you might need to order to repair or complete your firearm. This line of pistol mats is available for the 1911, Beretta 92, Glock Gen 4, SIG Sauer P238 and P320 and the Springfield XD line.

# ULTRA 20 PISTOL CLEANING MAT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the ULTRA 20 Pistol Cleaning Mat by TekMat. This product is designed to provide a safe and effective surface for cleaning your firearms. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the mat is used on a stable and flat surface to prevent slipping or sliding during use.
- Always keep the cleaning area free of clutter to minimize the risk of accidents.
- Be aware of your surroundings and ensure that children and pets are at a safe distance while cleaning firearms.
- Inspect the mat for any damage before use. Do not use if the mat is torn or has any defects.
- Do not expose the mat to extreme heat or direct sunlight for prolonged periods, as this may damage the material.
- Follow all local laws and regulations regarding firearm cleaning and maintenance.

## Specific Safety Precautions for Use

- Always ensure that your firearm is unloaded before placing it on the cleaning mat.
- Use appropriate cleaning solvents and materials that are compatible with your firearm. Avoid using harsh chemicals that may damage the mat.
- Do not use the mat for any purpose other than cleaning firearms. It is not intended for other uses.
- If any cleaning products spill on the mat, clean it immediately to prevent staining or damage.
- Keep the cleaning mat out of reach of children and vulnerable individuals when not in use.

## Instructions for Installation and Usage

### 1. Setting Up the Mat

- Unroll the cleaning mat on a flat and stable surface.
- Ensure that the mat lays flat without any folds or wrinkles.

### 2. Cleaning Your Firearm

- Place your unloaded firearm on the mat.
- Refer to the parts list included on the mat to identify components and ensure proper disassembly and reassembly.
- Use appropriate cleaning tools and solvents, applying them carefully to avoid spills.

### 3. After Use

- Once cleaning is complete, wipe down the mat with a damp cloth to remove any residue.
- Allow the mat to air dry completely before rolling it up for storage.
- Store the mat in a cool, dry place to maintain its condition.

## Disposal Instructions

- When the mat reaches the end of its life cycle, dispose of it in accordance with local waste disposal regulations.

- If the mat is damaged or no longer usable, consider recycling options if available.

## **Contact Information for Further Support**

For any inquiries or further assistance regarding the ULTRA 20 Pistol Cleaning Mat, please refer to the manufacturer's contact information provided with the product packaging.

Thank you for following these safety instructions. Your safety and the safe handling of firearms are our top priorities. Enjoy using your ULTRA 20 Pistol Cleaning Mat!
