A Cleaning Mat Designed to Aid in Handgun Disassembly

TekMat revolutionized the firearm-cleaning market with its line of cleaning mats that were more than just protective work surfaces. These cleaning mats included diagrams and schematics of today's popular firearms, allowing users to get an inside look at their gun and easily disassemble and reassemble firearms. The company's new Ultra 20 Pistol Cleaning Mat continues this legacy with a few improved elements. Each TekMat Ultra 20 Pistol Cleaning Mat is constructed using a clear dye-sublimation printing technique that makes the mat waterproof, scratchproof, oil- and chemical-resistant and washable. The company's direct-vulcanization technique adheres the mat's surface to a rubber backing, which provides padding and durability. The complete line of TekMat Ultra 20 Pistol Cleaning Mats includes a parts list that matches the manufacturer's list of parts, so there's no chance of confusion, and you'll always know what part goes where and which parts you might need to order to repair or complete your firearm. This line of pistol mats is available for the 1911, Beretta 92, Glock Gen 4, SIG Sauer P238 and P320 and the Springfield XD line.

ULTRA 20 PISTOL CLEANING MAT SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the ULTRA 20 Pistol Cleaning Mat by TekMat. This product is designed to provide a safe and effective cleaning surface for your firearms. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Ensure that the cleaning mat is used on a stable, flat surface to prevent slips and spills.
- Keep the mat away from open flames or high heat sources to avoid damage.
- Do not use the mat with incompatible chemicals or cleaning agents that may cause degradation.
- Store the mat in a cool, dry place when not in use to maintain its integrity.
- Regularly inspect the mat for any signs of wear or damage before each use.

Specific Safety Precautions for Use

- Always ensure that firearms are unloaded and cleared of ammunition before cleaning.
- Use the mat for its intended purpose only; do not use it for any other activities.
- Avoid using sharp objects that may scratch or damage the surface of the mat.
- Keep the cleaning area wellventilated to avoid inhaling any fumes from cleaning agents.
- If the mat becomes soiled, clean it according to the washing instructions provided.

Instructions for Installation and Usage

- Unroll the mat on a flat, stable surface where you plan to clean your firearm.
- Ensure the mat is completely flat to avoid any hazards while working.
- Place your firearm on the mat and refer to the diagrams and schematics for guidance on disassembly and reassembly.
- Follow the parts list included on the mat to ensure you are aware of all components and their correct placement.
- After use, clean the mat with a damp cloth and mild soap if necessary, then allow it to air dry completely before storage.

Disposal Instructions

- Dispose of the cleaning mat in accordance with local regulations regarding rubber and textile waste.
- If the mat is damaged beyond repair, consider recycling options if available in your area.

Contact Information for Further Support

For any safety inquiries or support regarding your ULTRA 20 Pistol Cleaning Mat, please refer to the manufacturer's contact information provided with your product.

Important Note

If you encounter any unsafe products or incidents, report them to the relevant authorities. Additionally, stay informed about recall updates through the EU's Safety Gate platform to ensure your safety and compliance with regulations.
