## Introduction

Thank you for choosing the Christensen Arms 308 Winchester Stainless Carbon Fiber Wrapped Threaded Barrel. This guide provides essential safety instructions and guidelines to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR). Please read this guide thoroughly before installation and use.

## General Safety Guidelines

- Ensure that all safety measures are followed during the use of this product.
- Always treat the firearm as if it is loaded, even if you believe it is not.
- Keep the barrel and firearm away from children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Use only compatible ammunition as specified by the manufacturer.
- Avoid exposure to extreme temperatures or harsh chemicals that may affect the barrel's integrity.
- Report any unsafe products or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- When handling the barrel, wear appropriate safety gear, including eye protection.
- Ensure that the firearm is pointed in a safe direction at all times.
- Do not modify the barrel or any associated components without professional guidance.
- Be aware of your surroundings and ensure that the shooting area is clear of people and animals.
- Always follow the manufacturer's recommendations for cleaning and maintenance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the firearm is unloaded and safe before beginning installation.
- Remove the existing barrel according to the manufacturer's instructions.
- Align the Christensen Arms barrel with the receiver and securely attach it using the specified torque settings.
- Verify that the gas block and gas tube are correctly installed.
- Check the muzzle threads to ensure they are clean and free from debris.

### 2. Usage:

- Load the firearm with compatible ammunition only.
- Before firing, ensure that the barrel is clear of obstructions.
- Fire in a controlled environment and adhere to all local laws and regulations.
- After use, clean the barrel according to the manufacturer's guidelines to maintain performance.

## Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- If the barrel is damaged or no longer usable, consider recycling options for metal components.
- Do not dispose of the barrel in regular household waste.
