# Micro Trauma Kit NOW! Essentials Supplies Safety Instruction Guide

## Introduction

Thank you for choosing the Micro Trauma Kit NOW! Essentials Supplies by Blue Force Gear. This product is designed to provide essential lifesaving medical supplies for everyday carry, suitable for law enforcement professionals, prepared citizens, and hunters. This guide outlines important safety instructions and guidelines to ensure proper use and handling of the Micro Trauma Kit NOW!

## General Safety Guidelines

- Ensure that all users are familiar with the contents and usage of the kit.
- Store the kit in a cool, dry place away from direct sunlight.
- Regularly check the contents for expiration dates and replace any expired items.
- Keep the kit out of reach of children unless they are supervised by an adult.
- In case of an emergency, always call for professional medical help.

## Specific Safety Precautions for Use

- **Trauma Gloves:** Always wear gloves when providing first aid to prevent contamination.
- **Bleeding Control Dressing:** Use only as directed. Apply pressure to control bleeding and seek professional medical help immediately.
- **Compression Dressing:** Ensure proper application to avoid excessive pressure that could cause further injury.
- **Hypothermia Blanket:** Use this blanket to retain body heat in cases of shock or hypothermia.
- **Flat Fold Tape:** Use tape to secure dressings; ensure it does not cause skin irritation.

## Instructions for Installation and Usage

### 1. Mounting the Kit:

- The Micro Trauma Kit NOW! can be mounted on a belt or MOLLE system.
- Ensure that the pouch is securely attached to prevent accidental detachment during use.

### 2. Accessing Supplies:

- To access the contents, pull the BLIP featured pull tabs with one hand or a single finger from either side.
- Familiarize yourself with the layout of the kit so you can quickly find what you need in an emergency.

### 3. Using the Medical Supplies:

- Follow the instructions provided with each medical supply for proper application.
- In case of severe injuries, do not hesitate to call emergency services while providing first aid.

### 4. PostUse Care:

- After using any supplies, dispose of them properly according to local regulations.
- Restock the kit with new supplies as soon as possible to ensure readiness for future use.

## **Disposal Instructions**

- Dispose of used medical supplies according to local regulations.
- For nonbiodegradable items, check with local waste management for appropriate disposal methods.
- Ensure that the kit and its components are kept out of reach of children until properly disposed of.

## **Contact Information for Further Support**

For any inquiries regarding safety or product information, please contact the manufacturer or your local distributor. They will provide you with the necessary support and guidance.

By following these safety instructions, you can ensure the effective use of the Micro Trauma Kit NOW! and help maintain a safe environment for yourself and others. Remember to always stay prepared and informed about first aid practices.
