

MICRO TRAUMA KIT NOW! PRO SUPPLIES - BLUE FORCE GEAR

MICRO TRAUMA KIT NOW! PRO SUPPLIES MOLLE MOUNT MULTICAM

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Kits](#)

The Micro Trauma Kit NOW!, or Micro TKN, is the smallest version of the Trauma Kit NOW! for every day carry. It is designed to hold essential lifesaving medical supplies on a belt. The Micro TKN was designed as an Every Day Carry trauma kit for law enforcement professionals, prepared citizens, or hunters. Deployment of critical first aid supplies can be done with one hand or a single finger from either the left or right side by pulling the BLIP featured pull tabs. The Micro TKN consists of two main components - the outer MOLLE or Belt mounted pouch utilizing the Ten-Speed technology, and a removable insert that keeps medical supplies organized. The PRO Kit Includes: Trauma Gloves (1x Pair) Quickclot Combat Gauze LE (1x) SWAT-T Pressure Device (1x) Hypothermia Blanket - Green/Silver (1x)

Micro Trauma Kit NOW! Pro Supplies Safety Instructions

Introduction

Thank you for choosing the Micro Trauma Kit NOW! Pro Supplies by Blue Force Gear. This compact trauma kit is designed for everyday carry, providing essential lifesaving medical supplies. Please read this safety instruction guide carefully to ensure safe and effective use of the product.

General Safety Guidelines

- **Product Safety:** Ensure safe use of the Micro Trauma Kit by following all instructions and guidelines outlined in this document.
- **Enhanced Recalls:** Stay informed about any product recalls by checking relevant sources, including official announcements and safety alerts.
- **Online Shopping:** When purchasing online, ensure that the retailer complies with safety requirements similar to those in physical stores.
- **Special Consumer Focus:** This kit is intended for use by prepared citizens, law enforcement professionals, and hunters. Ensure that it is kept out of reach of children.
- **EU Contact Point:** For safety inquiries, refer to the designated contact points provided by the retailer.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates on unsafe products.

Specific Safety Precautions for Use

- **Intended Use:** The Micro Trauma Kit is designed for emergency first aid. It should not be used as a substitute for professional medical assistance.
- **Check Contents:** Regularly check the contents of the kit to ensure that all items are present and not expired.
- **OneHanded Deployment:** Practice using the pull tabs to ensure you can deploy the kit quickly and efficiently in an emergency.
- **Storage:** Store the kit in a cool, dry place. Avoid exposure to extreme temperatures or moisture.
- **Medical Supplies:** Be aware of the medical supplies included in the kit and their intended uses. Use only as directed.

Instructions for Installation and Usage

- **Installation:**
 1. Attach the MOLLE or beltmounted pouch securely to your belt or gear using the TenSpeed technology.
 2. Ensure that the pouch is accessible and does not obstruct movement.
- **Usage:**
 1. In an emergency, locate the pull tabs on the pouch.
 2. Use one hand or a single finger to pull the BLIP featured pull tabs to deploy the medical supplies.
 3. Follow the instructions provided with each medical supply for proper use.
 4. After use, restock the kit with necessary supplies to ensure readiness for future emergencies.

Disposal Instructions

- Dispose of any used or expired medical supplies in accordance with local regulations.
- Ensure that used items, such as gloves and gauze, are disposed of safely to prevent contamination.

- If the entire kit is no longer needed, follow local guidelines for disposing of the pouch and its contents.

Contact Information for Further Support

For any questions or concerns regarding the Micro Trauma Kit NOW! Pro Supplies, please refer to the retailer's contact information or customer support resources provided at the time of purchase.

By following these safety instructions, you can ensure the effective use of your Micro Trauma Kit NOW! Pro Supplies and be prepared for emergencies. Thank you for prioritizing safety!
