

AR-15 MULTI-ANGLED PISTOL GRIP - STRIKE INDUSTRIES AR-15 MULTI-ANGLED PISTOL GRIP FDE

[Rifle Parts](#) > [Grip Parts](#) > [Pistol Grips](#)

The patented Strike Industries AR Multi-Angle Pistol Grip (MAPG) gives you a custom adjustment for your specific shooting comfort, needs or mission. The MAPG has an adjustment range from 10 to 35 degrees offering a low angle for that PDW setup or modern shooting positions. Maximize the ergonomics of your AR if you shoot elbows in. For those whose style is to shoot elbows out, we have the high angles to match or go beyond the traditional A2 grip angle. For everyone in between, Strike Industries has got you covered with this adjustable grip. To adjust the angle of the grip, its quick and easy without even removing this pistol grip from the lower receiver. Simply remove the rubber grip plug and use the included hex tool to turn to your desired angle. The MAPG includes the Strike Pistol Grip Plug Tool Holder Insert so you can store the hex tool as well as other tools that fit or a CR2032 battery (not waterproof) in an organized storage compartment. Get a handle of your weapon with the positive aggressive texture. All hardware is included to swap out an existing grip or a great base for a brand new build. Get maximum ergonomics and a custom angle and improved handling from the Strike Industries AR Multi-Angle Pistol Grip.

Safety Instruction Guide for the AR15 MultiAngled Pistol Grip

Introduction

Thank you for choosing the Strike Industries AR15 MultiAngled Pistol Grip (MAPG). This product is designed to enhance your shooting experience by providing customizable angles for improved ergonomics. To ensure your safety and the safety of others, please read this guide carefully before using the product.

General Safety Guidelines

- Always treat your firearm as if it is loaded.
- Ensure that the firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Use appropriate eye and ear protection while shooting.
- Be aware of your surroundings and ensure a clear shooting area.
- Follow all local laws and regulations regarding firearms and accessories.
- Report any unsafe products or accidents to the relevant authorities.

Specific Safety Precautions for Use

- **Hazard Identification:**

- Improper installation or adjustment may lead to loss of grip or control, posing a risk of injury.
- The adjustable angle may not be suitable for all shooting styles; ensure that it is set to a comfortable and stable position before use.

- **Avoiding Hazards:**

- Always ensure that the grip is securely fastened to the lower receiver before use.
- Do not attempt to adjust the grip while handling the firearm.
- Ensure that the grip is free of dirt and debris that may affect its performance.

- **AgeSpecific Warnings:**

- This product is intended for adult users. Keep out of reach of children and unauthorized users.

Instructions for Installation and Usage

- **Installation:**

1. Ensure that the firearm is unloaded and pointed in a safe direction.
2. Remove the existing pistol grip by unscrewing it from the lower receiver.
3. Align the Strike Industries MAPG with the mounting hole on the lower receiver.
4. Securely fasten the MAPG using the provided hardware.
5. Ensure that the grip is tightly secured before proceeding.

- **Adjusting the Grip Angle:**

1. Remove the rubber grip plug located at the bottom of the grip.
2. Use the included hex tool to adjust the angle of the grip.
3. Turn the hex tool to set the desired angle between 10 to 35 degrees.
4. Replace the rubber grip plug once the adjustment is complete.

- **Usage:**

- Always check the grip's stability before each use.
- When shooting, maintain a firm grip on the pistol grip to ensure control.
- Regularly inspect the grip for any signs of wear or damage.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in regular household waste.
- For electronic components, follow ewaste disposal guidelines.
