# Safety Instruction Guide for PRO 1000 COMPLETE CARRIER LEE PRO 1000 CARRIER #1 COMPLETE

## Introduction

Thank you for choosing the PRO 1000 COMPLETE CARRIER by Lee Precision. This guide provides essential safety instructions, usage guidelines, and contact information to ensure safe operation and maintenance of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Regularly inspect the equipment for any signs of wear or damage before each use.
- Keep the work area clean and free of clutter to prevent accidents.
- Always wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when operating the press.
- Store the product in a dry, secure location away from children and unauthorized users.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Potential hazards include moving parts, sharp edges, and the risk of misalignment during operation.
- **Avoiding Hazards:**
  - Always ensure that the press is securely mounted before use.
  - Keep hands and loose clothing away from moving parts.
  - Do not attempt to operate the press if you are tired or under the influence of drugs or alcohol.
- **Age Restrictions:**
  - This product is intended for use by adults only. Keep it out of reach of children.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that the work surface is stable and level.
- Securely mount the Lee Pro 1000 Progressive Press according to the installation manual.
- Confirm that all components, including the Shell Plate Carrier, are properly installed before use.

### 2. Changing Calibers:

- To change calibers, remove the existing Shell Plate Carrier.
- Install the new Shell Plate Carrier securely, ensuring it is locked in place.
- Verify that the Auto Prime and Case Ejector are functioning correctly before starting production.

### 3. Operation:

- Load the appropriate cartridges (357 Magnum, 38 Special, 38 S&W) as specified.
- Follow the operating procedures outlined in the user manual for safe and efficient operation.
- Monitor the press during operation for any unusual sounds or movements, and stop immediately if any issues arise.

## **Disposal Instructions**

- Dispose of any packaging materials in accordance with local regulations.
- When the product reaches the end of its life, ensure it is disposed of properly, considering environmental regulations.
- Do not dispose of the product in general waste; check for recycling options for metal and plastic components.

## **Contact Information for Further Support**

For assistance or inquiries regarding safety, usage, or maintenance of the PRO 1000 COMPLETE CARRIER, please refer to the manufacturer's contact details provided on the product packaging or in the user manual.

Thank you for your attention to these safety instructions. Your safety and satisfaction are our priorities.
