# PACESETTER RIFLE THREEDIE SET SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. This set is designed for reloading the 7.5x54 mm cartridge and includes essential components for safe and effective reloading. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Ensure that your reloading equipment is in good condition before use.
- Store all reloading components in a safe and secure location, away from children and pets.
- Be aware of your surroundings and ensure you are in a wellventilated area when reloading.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Handle all reloading components with care to avoid injury.
- Be cautious of potential exposure to lead and other hazardous materials.
- Ensure that your workspace is free from clutter to prevent accidents.

### • Avoiding Hazards:

- Do not exceed the recommended load data provided in the instructions.
- Always doublecheck measurements and components before use.
- Never leave reloading equipment unattended while in operation.
- Keep flammable materials away from your reloading area.

### • AgeSpecific Warnings:

- This product is intended for use by adults only. Keep out of reach of children.
- Ensure that anyone using this product is knowledgeable about reloading safety practices.

## Instructions for Installation and Usage

### 1. Setup:

- Ensure your reloading press is securely mounted and stable.
- Attach the Full Length Sizing Die to the press according to the manufacturer's instructions.
- Install the Bullet Seating Die and Factory Crimp Die in the appropriate sequence.

### 2. Reloading Process:

- Begin by measuring and preparing your brass cases.
- Use the Full Length Sizing Die to resize the brass cases.
- Measure powder charges using the Powder Dipper provided.

- Insert the bullet into the case and use the Bullet Seating Die to seat the bullet to the correct depth.
- Use the Factory Crimp Die to apply a crimp if necessary.

### **3. PostReloading:**

- Inspect all completed cartridges for any defects.
- Store reloaded ammunition in a safe and secure manner.

## **Disposal Instructions**

- Dispose of any unused or damaged reloading components according to local hazardous waste disposal regulations.
- Do not throw reloading materials in regular trash bins; contact local waste management for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the PACESETTER RIFLE THREEDIE SET, please refer to the manufacturer's website or contact your local distributor for assistance.
