# PACESETTER RIFLE THREEDIE SET Safety Instruction Guide

## Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. This product is designed for reloading 416 Remington Magnum cartridges. To ensure safe and effective use of this product, please read and follow these safety instructions carefully.

## General Safety Guidelines

- Always use the product in accordance with the manufacturer's instructions.
- Ensure that you are familiar with the operation of your reloading press and its components.
- Keep the work area clean and free from clutter to avoid accidents.
- Store all reloading components, including this die set, out of reach of children and unauthorized persons.
- Wear appropriate safety gear, including safety glasses and hearing protection, when operating the reloading press.
- Regularly inspect the die set for wear and damage. Do not use if any parts are damaged or worn.
- Report any unsafe conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Risk of injury from improper handling of reloading components.
- Risk of explosion or fire if improper powders or projectiles are used.
- Risk of personal injury from sharp edges on dies.

### • Avoiding Hazards:

- Always doublecheck powder measurements and ensure that you are using the correct type of powder for your cartridges.
- Do not exceed recommended load limits as specified in the load data provided.
- Ensure that the reloading press is securely mounted and stable during use.
- Do not attempt to modify the die set or any components.

### • Audience Specific Warnings:

- This product is intended for use by adults only. Keep out of reach of children.
- Individuals with limited experience in reloading should seek guidance from knowledgeable sources before use.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that your reloading press is securely mounted to a stable surface.
2. Select the appropriate die from the set: Full Length Sizing Die, Bullet Seating Die, or Factory Crimp Die.
3. Install the selected die into the reloading press according to the manufacturer's instructions.
4. Tighten the die securely, ensuring it is properly aligned with the press.

### • Usage:

1. Follow the load data provided with the die set to determine the appropriate powder charge and bullet type.
2. Use the Full Length Sizing Die to resize your brass cases before reloading.
3. Use the Bullet Seating Die to seat the bullets to the desired depth.
4. Use the Factory Crimp Die to crimp the bullets securely in place.
5. Always check each completed round for proper seating and crimping before use.

## Disposal Instructions

- Dispose of all reloading components and materials in accordance with local regulations.
- Do not dispose of hazardous materials, such as unused powders or primers, in regular trash. Contact local waste management authorities for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or further support, please consult the manufacturer's website or contact the designated EUbased support center for assistance.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with your PACESETTER RIFLE THREEDIE SET. Always prioritize safety and adhere to best practices while handling reloading equipment. Thank you for your attention to these important guidelines.
