PACESETTER RIFLE THREEDIE SETS LEE PRECISION 7MM REMINGTON ULTRA MAGNUM 3DIE SET Safety Instruction Guide

Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. This guide provides important safety instructions and usage guidelines to ensure the safe operation of your reloading equipment. Please read this document carefully before using the product.

General Safety Guidelines

- Always follow the manufacturer's instructions for use.
- Use the product only for its intended purpose.
- Keep the product out of reach of children and vulnerable individuals.
- Store the product in a cool, dry place away from direct sunlight.
- Regularly inspect the product for wear and damage before use.
- If you notice any defects, do not use the product and contact the manufacturer for assistance.
- Report any unsafe conditions or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Wear appropriate safety gear, including safety glasses and gloves, when using the reloading dies.
- Ensure that the reloading press is properly secured to a stable surface before use.
- Do not exceed the recommended load data provided in the instructions.
- Always doublecheck measurements and components before reloading.
- Use only compatible components with the 7 mm Remington Ultra Magnum cartridge.
- Avoid distractions while reloading to maintain focus and accuracy.
- Dispose of any unused or outdated powders and primers according to local regulations.

Instructions for Installation and Usage

1. Installation:

- Remove the reloading dies from the packaging and inspect for any damage.
- Select a suitable reloading press compatible with 7/8"14 dies.
- Follow the reloading press manufacturer's instructions for mounting the dies.
- Install the Full Length Sizing Die first, followed by the Bullet Seating Die, and finally the Factory Crimp Die.

2. Usage:

- Refer to the load data included in the instructions for proper powder charges and bullet seating depths.
- Use the Universal Shell Holder to securely hold the cartridge case during reloading.
- Carefully measure and dispense powder using the Powder Dipper provided.
- After seating the bullet, use the Factory Crimp Die to ensure a proper crimp on the cartridge.
- Always perform a visual inspection of the completed cartridges before use.

Disposal Instructions

- Dispose of all packaging materials in accordance with local waste management regulations.
- For expired or unused reloading components, follow local guidelines for hazardous waste disposal.
- Ensure that all materials are disposed of in a safe manner to prevent environmental contamination.

Contact Information for Further Support

For any questions or concerns regarding the use of the PACESETTER RIFLE THREEDIE SET, please refer to the manufacturer's contact information provided in the product packaging or visit the official LEE PRECISION website.

Thank you for your attention to these safety guidelines. Your safety is our priority. Enjoy your reloading experience!
