# PACESETTER RIFLE THREEDIE SETS LEE PRECISION 22/250 ACKLEY IMPROVED 3DIE SET Safety Instruction Guide

## Introduction

Thank you for choosing the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. This product is designed to assist you in reloading ammunition safely and efficiently. This safety instruction guide provides essential information to ensure the safe use of this product in compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Always read and understand the instructions before using the product.
- Ensure that the reloading area is wellventilated and free from distractions.
- Keep the reloading equipment out of reach of children and unauthorized users.
- Use only the specified components and dies with this set to avoid hazards.
- Regularly inspect equipment for wear or damage before each use.
- Store components in a secure location to prevent unauthorized access.

## Specific Safety Precautions for Use

### • Hazard Identification:

- Risk of injury from improper handling of reloading tools.
- Potential exposure to hazardous materials such as gunpowder.
- Risk of damage to equipment if not used as intended.

### • Avoiding Hazards:

- Always wear safety glasses to protect your eyes during reloading.
- Use gloves when handling gunpowder and primers to minimize skin contact.
- Ensure that the workspace is dry and free of flammable materials.
- Do not exceed the maximum load data provided with the product.
- Avoid distractions while reloading to maintain focus and safety.

### • AgeSpecific Warnings:

- This product is not intended for use by individuals under the age of 18.
- Ensure that minors are supervised by a responsible adult when in the vicinity of reloading equipment.

## Instructions for Installation and Usage

### • Installation:

1. Ensure that your reloading press is securely mounted on a stable surface.
2. Attach the Full Length Sizing Die to the reloading press using the provided instructions.
3. Install the Bullet Seating Die and the Factory Crimp Die according to the instructions included in the set.

### • Usage:

- Follow the load data provided to ensure safe and effective reloading.
- Measure powder charges accurately using the included Powder Dipper.
- Ensure that each round is properly crimped using the Factory Crimp Die.
- Store any unused components in a cool, dry place to maintain their integrity.

## **Disposal Instructions**

- Dispose of any unused or expired components according to local regulations.
- Do not dispose of gunpowder or primers in regular trash. Contact local authorities for proper disposal methods.
- Ensure that all packaging materials are recycled or disposed of responsibly.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's contact details provided with the product packaging.

By following these safety instructions, you can ensure a safe and enjoyable reloading experience with the PACESETTER RIFLE THREEDIE SET by LEE PRECISION. Always prioritize safety and responsible handling of all reloading materials.
