# Safety Instruction Guide for QUICK TRIM DIES LEE PRECISION 3006 SPRINGFIELD QUICK TRIM DIE

## Introduction

Thank you for choosing the Lee Quick Trim Dies for your reloading needs. This guide is designed to ensure the safe and effective use of the product. Please read this document thoroughly before using the Quick Trim Die to familiarize yourself with important safety information and operational instructions.

## General Safety Guidelines

- Always use the Quick Trim Die according to the manufacturer's instructions.
- Ensure that the work area is clean, welllit, and free of distractions.
- Keep the Quick Trim Die and all reloading components out of reach of children and unauthorized users.
- Wear appropriate personal protective equipment, such as safety glasses and gloves, when handling reloading equipment and materials.
- Check for any visible damage to the Quick Trim Die before use. Do not use if damaged.
- Report any unsafe products or accidents to the relevant authorities and check for recall updates on the EU's Safety Gate platform.

## Specific Safety Precautions for Use

- Handle all reloading materials with care, as they can be hazardous if not used properly.
- Ensure that the Quick Trim Die is securely attached to the trimmer before use.
- Avoid overtightening the die, as this can cause damage or malfunction.
- Do not exceed the recommended cartridge specifications when using the Quick Trim Die.
- Always keep your hands and body clear of moving parts when operating the trimmer.
- If you are inexperienced with reloading equipment, seek guidance from an experienced user or professional.

## Instructions for Installation and Usage

### 1. Installation

- Remove the Quick Trim Die from its packaging and inspect it for any signs of damage.
- Locate the Lee Deluxe or Lee Value Trim Case Trimmer.
- Attach the Quick Trim Die to the trimmer according to the manufacturer's instructions.
- Ensure that the die is securely fastened and properly aligned.

### 2. Usage

- Select the appropriate cartridge (3006 Springfield or 3006 Improved 40) for your reloading project.
- Insert the case into the trimmer and ensure it is properly seated.
- Operate the trimmer according to the instructions provided with the trimmer, ensuring that the Quick Trim Die is functioning correctly.
- After trimming, inspect each case to ensure it meets your specifications.

## Disposal Instructions

- Dispose of any damaged or unusable components in accordance with local regulations.
- Recycle packaging materials where possible.
- Ensure that any hazardous materials are disposed of safely and responsibly.

## **Contact Information for Further Support**

For any questions or concerns regarding the use of the Quick Trim Die, please refer to the manufacturer's website or contact their customer support for assistance.

By following these safety instructions, you can ensure a safe and effective reloading experience with the QUICK TRIM DIES LEE PRECISION 3006 SPRINGFIELD QUICK TRIM DIE. Thank you for your attention to these important safety measures.
