Safety Instruction Guide for QUICK TRIM DIES LEE PRECISION 6.5X55 SWEDE QUICK TRIM DIE

Introduction

Thank you for choosing the Lee Quick Trim Dies for your reloading needs. This guide provides essential safety instructions and guidelines to ensure the safe use of the product. Please read this document carefully before using the Quick Trim Dies.

General Safety Guidelines

- Ensure that you understand the product's purpose and limitations before use.
- Always handle the product with care to avoid injury.
- Keep the product out of reach of children and pets.
- Use the product only as intended and according to the manufacturer's instructions.
- Regularly inspect the product for any signs of wear or damage before use.
- In case of any malfunction or damage, discontinue use immediately and consult a professional.

Specific Safety Precautions for Use

- Always wear appropriate personal protective equipment (PPE) such as safety glasses and gloves when using the Quick Trim Dies.
- Ensure that your workspace is clean and free of distractions.
- Do not exceed the recommended specifications for the product, including the cartridge size.
- Be cautious of sharp edges and moving parts during operation.
- Avoid using the product in wet or damp conditions to prevent electrical hazards.
- Ensure proper ventilation in your workspace to avoid inhaling any dust or debris generated during use.

Instructions for Installation and Usage

1. Installation:

- Unpack the Quick Trim Dies and inspect for any damage.
- Follow the manufacturer's instructions to properly install the dies onto your Lee Deluxe or Lee Value Trim Case Trimmer.
- Ensure that all components are securely fastened and aligned correctly.

2. Usage:

- Before starting, ensure that the case trimmer is properly set up and calibrated.
- Insert the case to be trimmed into the trimmer according to the manufacturer's guidelines.
- Operate the case trimmer following the instructions provided, ensuring that your hands and body are clear of any moving parts.
- After trimming, remove the case carefully and inspect it for any defects.
- Clean the dies after use to prevent buildup of debris.

Disposal Instructions

- Dispose of any damaged or unusable Quick Trim Dies in accordance with local waste disposal regulations.
- Do not dispose of the product in regular household waste if it contains hazardous materials.
- Consider recycling the product or its components where possible.

Contact Information for Further Support

For any questions regarding safety, usage, or product support, please refer to the manufacturer's contact information provided in the product packaging.

By following these safety instructions, you can ensure a safe and effective reloading experience with the Lee Quick Trim Dies. Thank you for your attention to safety and for choosing our product.
