## QUICK TRIM DIE Safety Instructions

### Introduction

Thank you for choosing the Lee Quick Trim Dies for your 9mm Luger reloading needs. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual carefully before operating the Quick Trim Die.

### General Safety Guidelines

- Always ensure that you are using the product in accordance with the manufacturer's instructions.
- Keep the product out of reach of children and vulnerable individuals.
- Inspect the Quick Trim Die for any signs of damage before use. Do not use if damaged.
- Use the product in a wellventilated area to avoid inhalation of any dust or debris.
- Wear appropriate personal protective equipment (PPE), such as safety glasses and gloves, when using the die.
- Be aware of your surroundings and maintain a clean workspace to prevent accidents.

### Specific Safety Precautions for Use

- Ensure that the Quick Trim Die is compatible with your Lee Deluxe or Lee Value Trim Case Trimmer before use.
- Do not exceed the recommended operating pressure when using the Quick Trim Die.
- Always follow the instructions for installation and usage to avoid misalignment or malfunction.
- Be cautious of sharp edges and moving parts while operating the die.
- Avoid wearing loose clothing or jewelry that could become entangled in the equipment.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure the case trimmer is securely mounted and stable.
- Insert the Quick Trim Die into the designated holder of the Lee Deluxe or Lee Value Trim Case Trimmer.
- Tighten the die securely to prevent movement during operation.

#### 2. Usage:

- Select the appropriate case length for trimming.
- Insert the case into the trimmer and align it with the Quick Trim Die.
- Operate the trimmer according to the manufacturer's guidelines.
- After trimming, carefully remove the case and check for any burrs or sharp edges.

### Disposal Instructions

- Dispose of any unused or damaged products in accordance with local regulations.
- Recycle packaging materials where possible to minimize environmental impact.
- Do not dispose of the product in regular household waste.

## **Contact Information for Further Support**

For any safety inquiries or assistance regarding the Quick Trim Die, please consult the manufacturer's contact point in your region.

## **Conclusion**

By following these safety instructions, you can ensure a safe and effective experience with your Lee Quick Trim Die. Always prioritize safety and report any unsafe conditions or incidents to the appropriate authorities. Thank you for your attention to these guidelines.
