Safety Instruction Guide for Lee Primer Attachment

Introduction

Thank you for choosing the Lee Primer Attachment for your Pro 1000 Press. This guide provides essential safety instructions and best practices to ensure safe and effective use of this product. Please read this manual carefully before using the product.

General Safety Guidelines

- Always use the Lee Primer Attachment in accordance with the manufacturer's instructions.
- Ensure that the workspace is clean and organized to prevent accidents.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the product for any signs of wear or damage.
- In case of any malfunction or suspected risk, discontinue use immediately and consult the manufacturer.

Specific Safety Precautions for Use

- Use only the specified primer size for the attachment to prevent jams or malfunctions.
- Do not attempt to modify or alter the attachment in any way.
- Always wear appropriate safety gear, including eye protection, when using the product.
- Avoid wearing loose clothing or jewelry that could become caught in the equipment.
- Ensure that all components are securely in place before operation.
- Do not exceed the recommended load limits for the Pro 1000 Press.

Instructions for Installation and Usage

1. Installation

- Ensure the Pro 1000 Press is turned off and unplugged.
- Remove any existing primer attachment from the press.
- Align the Lee Primer Attachment with the mounting points on the press.
- Secure the attachment using the provided screws and ensure it is tightly fastened.
- Connect the large and small troughs, primer pins, and springs as per the provided instructions.

2. Usage

- Before starting, doublecheck that all components are correctly installed.
- Load the appropriate primer size into the attachment.
- Turn on the Pro 1000 Press and begin operation according to the press's user manual.
- Monitor the operation closely for any irregular sounds or movements.
- If a jam occurs, turn off the press and carefully clear the obstruction before resuming use.

Disposal Instructions

- Dispose of the Lee Primer Attachment and any associated components in accordance with local regulations.
- Do not dispose of the product in regular household waste. Check for local recycling programs or hazardous waste disposal sites.
- Ensure that all remaining primers are disposed of safely and in compliance with regulations.

Contact Information for Further Support

For any inquiries regarding safety, usage, or product support, please refer to the manufacturer's contact details provided in the product packaging or on the manufacturer's website.

By following these guidelines, you can ensure a safe and effective experience with your Lee Primer Attachment. Always prioritize safety and do not hesitate to seek assistance if needed. Thank you for your attention to these important safety instructions.
