

ARCHANGEL RUGER 10/22® PRECISION STOCKS - PRO MAG RUGER 10/22® PRECISION STOCK POLYMER DESERT TAN

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The Archangel® AAP1022 Precision Stock for the Ruger® 10/22® is a feature packed, fully adjustable stock that's perfectly at home on the bench, or in the field. The sleek lines, quality construction, and essential features of this stock let you know immediately that it means business. The click adjustable cheek riser with a 1.625" of travel in 25 positions and adjustable length of pull of 13" - 14.25" with 25 positions provides maximum adjustable fit for large shooters, small shooters, and everyone in between. The ambidextrous gooseneck style stock with palm swells and grooved and textured forend provide superior ergonomics and enhanced weapon control. A integrated Picatinny rail is molded into the bottom of the forend and includes a sliding textured, full length rail cover. The unique flared magwell makes magazine changes quick and easy, especially for extended magazines. The buttstock features an off-hand support hook and a soft rubber recoil pad. The grip features a locking storage compartment, and a flared base. The inlet has been designed to be a snug, drop in fit*, for maximum accuracy potential. The barrel channel will fit and free-float all barrels up to .920" diameter, and features patented harmonic pressure device (for those barrels that like a little pressure). The cheek riser can adjust low enough to use the OEM iron sights, and high enough even for large objective scopes. Constructed of legendary high strength, carbon fiber and glass reinforced black polymer, this stock is tough as nails, will handle a lifetime of hard use. Available in six different colors. 3 pounds. Lifetime Warranty. Made in USA. Fits Ruger® 10/22® Drop in fit* Feature packed precision stock Adjustable length of pull 13" to 14.25" with 25 positions Click adjustable cheek riser 1.625" of travel in 25 positions Free float barrel channel accepts barrel conts up to .920" Ambidextrous gooseneck style stock with palm swell Constructed of legendary high strength, carbon fiber and glass reinforced black polymer Front and rear quick detach style flush cups, provides rapid addition / removal of sling components Forend has an integrated 6 o'clock Picatinny rail with rail cover Secure pistol grip storage compartment Patent pending flared magwell Includes a soft rubber recoil pad Includes a rail cover Includes two (2) conventional sling swivel studs Includes hex style replacement action screw Overall Length: 28.25" Weight: 3 pounds Lifetime Warranty** Made in USA

ARCHANGEL RUGER 10/22® PRECISION STOCK SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the Archangel® AAP1022 Precision Stock for your Ruger® 10/22®. This product is designed to enhance your shooting experience while ensuring safety and comfort. Please read this safety instruction guide carefully to ensure proper use and maintenance of your stock.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always treat your firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the firearm and stock in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the stock for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Be aware of your surroundings when using the firearm equipped with this stock.

Specific Safety Precautions for Use

- Do not exceed the manufacturer's recommended weight limits when using the stock.
- Ensure the stock is securely attached to the firearm before use.
- Do not modify the stock in any way that may affect its performance or safety.
- Always use appropriate eye and ear protection when shooting.
- Be cautious when adjusting the cheek riser and length of pull to avoid pinching fingers.
- When using the integrated Picatinny rail, ensure that accessories are securely mounted.
- Avoid using the stock in extreme weather conditions that may affect its performance.

Instructions for Installation and Usage

Installation

1. **Preparation:** Ensure your firearm is unloaded and safe to handle.
2. **Remove the Existing Stock:** Use the provided hex style replacement action screw to detach the original stock from your Ruger® 10/22®.
3. **Install the Archangel® Stock:**
 - Align the Archangel® stock with the firearm's action.
 - Insert the hex screw through the stock and into the action.
 - Tighten the screw securely, ensuring the stock is firmly attached.
4. **Adjust Length of Pull:**
 - Adjust the length of pull by selecting the desired position from the 25 available settings.
5. **Adjust Cheek Riser:**
 - Click the cheek riser to the desired height, ensuring it is securely locked in place.

Usage

- Familiarize yourself with the stock's features, including the adjustable cheek riser and length of pull.
- Practice using the stock in a safe environment to ensure comfort and control.
- Regularly check the adjustments to maintain optimal fit and performance.

Disposal Instructions

- Dispose of the stock in accordance with local regulations.
- Do not incinerate or expose the stock to extreme heat.
- If the stock is damaged beyond repair, consider recycling materials where possible.

Contact Information for Further Support

For any safety inquiries or concerns regarding the Archangel® AAP1022 Precision Stock, please refer to the manufacturer's contact details provided with your product.

By adhering to these safety instructions, you can ensure a safe and enjoyable shooting experience with your Archangel® Ruger 10/22® Precision Stock. Thank you for your attention to safety.
