[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The Archangel® AAP1022 Precision Stock for the Ruger® 10/22® is a feature packed, fully adjustable stock that's perfectly at home on the bench, or in the field. The sleek lines, quality construction, and essential features of this stock let you know immediately that it means business. The click adjustable cheek riser with a 1.625" of travel in 25 positions and adjustable length of pull of 13" - 14.25" with 25 positions provides maximum adjustable fit for large shooters, small shooters, and everyone in between. The ambidextrous gooseneck style stock with palm swells and grooved and textured forend provide superior ergonomics and enhanced weapon control. A integrated Picatinny rail is molded into the bottom of the forend and includes a sliding textured, full length rail cover. The unique flared magwell makes magazine changes quick and easy, especially for extended magazines. The buttstock features an off-hand support hook and a soft rubber recoil pad. The grip features a locking storage compartment, and a flared base. The inlet has been designed to be a snug, drop in fit\*, for maximum accuracy potential. The barrel channel will fit and free-float all barrels up to .920" diameter, and features patented harmonic pressure device (for those barrels that like a little pressure). The cheek riser can adjust low enough to use the OEM iron sights, and high enough even for large objective scopes. Constructed of legendary high strength, carbon fiber and glass reinforced black polymer, this stock is tough as nails, will handle a lifetime of hard use. Available in six different colors. 3 pounds. Lifetime Warranty. Made in USA. Fits Ruger® 10/22® Drop in fit\* Feature packed precision stock Adjustable length of pull 13" to 14.25" with 25 positions Click adjustable cheek riser 1.625" of travel in 25 positions Free float barrel channel accepts barrel conts up to .920" Ambidextrous gooseneck style stock with palm swell Constructed of legendary high strength, carbon fiber and glass reinforced black polymer Front and rear quick detach style flush cups, provides rapid addition / removal of sling components Forend has an integrated 6 o'clock Picatinny rail with rail cover Secure pistol grip storage compartment Patent pending flared magwell Includes a soft rubber recoil pad Includes a rail cover Includes two (2) conventional sling swivel studs Includes hex style replacement action screw Overall Length: 28.25" Weight: 3 pounds Lifetime Warranty\*\* Made in USA

# ARCHANGEL RUGER 10/22® PRECISION STOCKS SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the Archangel® AAP1022 Precision Stock for your Ruger® 10/22®. This guide provides essential safety instructions to ensure the safe and effective use of your new stock. Please read this manual carefully before installation and use to maximize safety and performance.

## General Safety Guidelines

- Ensure that the product is used in accordance with the manufacturer's instructions.
- Always treat firearms with respect and ensure they are handled safely.
- Store the stock and any associated firearms in a secure location, away from children and unauthorized users.
- Regularly inspect the stock for any signs of wear or damage before use.
- Report any unsafe conditions or incidents to the appropriate authorities.

## Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for use by individuals aged 18 and older. Ensure that younger users are supervised by a responsible adult.
- **Use in Safe Environments:** Always use the stock in designated shooting ranges or safe environments.
- **Proper Fit:** Ensure that the stock is properly fitted to your Ruger® 10/22® to avoid malfunctions.
- **Check for Obstructions:** Before firing, make sure that the barrel and stock are free from any obstructions.
- **Wear Protective Gear:** Always wear appropriate eye and ear protection when using firearms.

## Instructions for Installation and Usage

### 1. Installation:

- Carefully remove the original stock from your Ruger® 10/22® following the manufacturer's guidelines.
- Align the Archangel® AAP1022 Precision Stock with the firearm and ensure it fits snugly.
- Secure the stock using the provided hex style replacement action screw.
- Check to ensure that the stock is firmly attached before use.

### 2. Adjustment:

- Adjust the length of pull by utilizing the adjustable features. The stock allows for a length range of 13" to 14.25" with 25 positions.
- Adjust the cheek riser to your preferred height for optimal sight alignment. The cheek riser has a travel of 1.625" in 25 positions.

### 3. Usage:

- When using the stock, ensure that you are in a stable shooting position.
- Utilize the integrated Picatinny rail for mounting accessories as needed.
- Always ensure that the magazine is properly seated in the flared magwell before firing.

## **Disposal Instructions**

- Dispose of the stock in accordance with local regulations regarding plastic and polymer materials.
- Do not dispose of the stock in regular household waste.
- Check with local waste management facilities for proper disposal methods.

## **Contact Information for Further Support**

- For any safety inquiries or support related to your Archangel® AAP1022 Precision Stock, please refer to the manufacturer's website or customer service.

Thank you for following these safety instructions. Your safety and the safety of others is our priority. Enjoy your new Archangel® AAP1022 Precision Stock responsibly!
