# Safety Instruction Guide for AR15 Billet Trigger Guards

## Introduction

Thank you for choosing the Aero Precision Billet Trigger Guard for your AR15. This guide provides essential safety instructions and information to ensure the safe use and installation of your product. Please read this guide carefully before use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always follow the manufacturer's instructions for installation and usage.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the trigger guard for any signs of wear or damage.
- If you notice any defects or malfunctions, cease use immediately and contact the manufacturer.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay informed about product recalls through the EU Safety Gate platform.

## Specific Safety Precautions for Use

- Do not modify the trigger guard or use it in a way that is not explicitly described in the instructions.
- Ensure that the firearm is unloaded before installing or handling the trigger guard.
- Use only the provided button head screws for installation; do not substitute with other fasteners.
- Always use a 5/64th hex wrench to tighten the screws securely during installation.
- Handle all firearm components with care, and follow all firearm safety protocols.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your workspace is clean and welllit.
- Gather the necessary tools: the Aero Precision Billet Trigger Guard and a 5/64th hex wrench (not included).

### 2. Installation Steps

- Ensure the firearm is unloaded and safe to work on.
- Remove the existing trigger guard if applicable.
- Align the Aero Precision Billet Trigger Guard with the lower receiver.
- Insert the provided button head screws into the designated holes.
- Use the 5/64th hex wrench to tighten the screws securely. Ensure that the trigger guard is firmly in place.
- Check for any movement or looseness. If necessary, tighten the screws further.

### 3. PostInstallation Check

- Inspect the installation to ensure that the trigger guard is correctly positioned and securely fastened.
- Test the functionality of the trigger guard by operating the firearm in a safe environment.

## Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the trigger guard is no longer in use or is damaged beyond repair, dispose of it responsibly. Check with local waste management for guidelines on disposing of aluminum products.

## Contact Information for Further Support

For safety inquiries or further assistance, please contact the manufacturer directly through their official communication channels.

By following these guidelines, you can ensure the safe and effective use of your Aero Precision Billet Trigger Guard. Thank you for your attention to safety and compliance with the EU General Product Safety Regulation.
