

# RAILWAY RED DOT SIGHT - C-MORE SYSTEMS RW RAILWAY 8 MOA RED DOT SIGHT RETICLE BLACK

[Optics & Mounting](#) > [Electronic Sights](#) > [Red Dot Sights](#)

The Railway sight quickly attaches to Weaver and Picatinny rail style scope mounts. This enables the Railway to be attached to virtually anything! Shotguns, rifles, handguns, revolvers, crossbows, paint ball guns; these are just a few of the applications the Railway has seen. The sight can be easily detached and installed on other weapons, making it the most versatile in the C-MORE line up. The Railway attaches to the Weaver or Picatinny rail by clamping. Most rail mounts have multiple cross slots for mounting different accessories. The Railway mount has one fixed cross bolt and one adjustable, which allows the sight to be adjusted to fit most applications.

## Attributes

- Name: [C-MORE SYSTEMS RW RAILWAY 8 MOA RED DOT SIGHT RETICLE BLACK](#)
- Manufacturer: [C-MORE SYSTEMS](#)
- Product no.: 100200335
- Mfr. No.: RWB-8
- Battery Life: 300-1500 hours
- Colour: Black
- Dimensions: 121.90x31.75x58.41mm(4.8"x1.25"x2.30")
- Finish: Black
- Mount: Standard Switch
- Power Supply: (1) 3V Lithium Battery type 2L76 or DL1/3N
- Reticle: 8 MOA red dot
- Sight Type: -
- Weight: 5.0 oz
- Delivery weight: 0.181kg
- Shipping height: 86mm
- Shipping width: 109mm
- Shipping length: 198mm
- UPC: 649725003103

## Safety Instruction Guide

### Introduction

Thank you for choosing the RAILWAY RED DOT SIGHT by CMORE SYSTEMS. This guide provides essential safety instructions and usage information to ensure your product is used safely and effectively. Please read this guide thoroughly before using the sight.

### General Safety Guidelines

- Ensure that the product is suitable for your intended use, and familiarize yourself with its features.
- Always handle the sight with care to avoid damage.
- Keep the sight out of reach of children and vulnerable individuals.
- Regularly inspect the sight for any signs of wear or damage before use.
- Do not use the sight if it is damaged or malfunctioning.
- Follow all local laws and regulations regarding the use of optical sights and firearms.

### Specific Safety Precautions for Use

- Do not look directly at the sun through the sight, as this can cause serious eye damage.
- Always ensure that the firearm or weapon is pointed in a safe direction when using the sight.
- Use the sight only on compatible firearms, including shotguns, rifles, handguns, revolvers, and crossbows.
- Avoid using the sight in wet or extreme weather conditions unless it is specifically rated for such use.
- Make sure to securely attach the sight to the weapon before use to prevent it from becoming dislodged.
- Regularly check the battery and replace it as needed to ensure proper functionality.

### Instructions for Installation and Usage

#### Installation

1. **Choose the Mounting Location:** Select a suitable Weaver or Picatinny rail on your firearm.
2. **Position the Sight:** Place the sight on the rail, ensuring it is aligned properly.
3. **Secure the Mounting:**
  - Tighten the fixed cross bolt securely.
  - Adjust the movable bolt to fit the rail and tighten it to ensure a secure fit.
4. **Check Stability:** After installation, gently shake the sight to ensure it is firmly attached.

#### Usage

- **Powering On:** Insert the (1) 3V Lithium Battery type 2L76 or DL1/3N and turn on the sight according to the manufacturer's instructions.
- **Adjusting the Reticle:** Use the adjustment controls to modify the reticle for optimal visibility.
- **Zeroing the Sight:** Follow standard procedures for zeroing your sight to ensure accuracy.

### Disposal Instructions

- Dispose of the sight and any batteries in accordance with local regulations.
- Do not dispose of the sight or batteries in household waste.
- Consider recycling options for electronic components and batteries.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your RAILWAY RED DOT SIGHT, please refer to the manufacturer's contact information provided with the product.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your RAILWAY RED DOT SIGHT. Always prioritize safety and adhere to local regulations while using your sight. Thank you for your attention to these important guidelines.
