

# CUSTOM GRADE HANDGUN 4-DIE SETS - 454 CASULL 4-DIE SET

[Reloading](#) > [Reloading Dies](#) > [Handgun Dies](#)

The Hornady Series V 4 Die set include a full length sizing die, expander die, seater die, and a crimp die. The full length die features a titanium nitride coated sizing ring which eliminates stuck cases, and Hornady's zip spindle system that makes setup and adjustment easy. The Seating Die includes a floating bullet alignment sleeve and a floating steel seating stem. The seating system holds the bullet, the case neck, and the seating stem in perfect alignment in a sleeve before the bullet enters the neck of the case. Bullets are aligned in the sleeve as they enter the die for optimum seating and enhanced accuracy. The Case Mouth Expander Die is adjustable, and the Crimp Die is great when using heavy loads.

# CUSTOM GRADE HANDGUN 4DIE SETS 454 CASULL 4DIE SET Safety Instruction Guide

## Introduction

Thank you for purchasing the CUSTOM GRADE HANDGUN 4DIE SETS 454 CASULL 4DIE SET by Hornady. This guide is designed to provide essential safety instructions and guidelines to ensure the safe use and handling of your die set. Please read this document carefully before using the product.

## General Safety Guidelines

- Always handle all reloading equipment and components with care.
- Ensure that your workspace is clean and welllit to avoid accidents.
- Keep all reloading materials, including the dies, out of reach of children and unauthorized users.
- Use appropriate personal protective equipment (PPE), such as safety glasses and gloves, when reloading.
- Familiarize yourself with the specific reloading procedures for the 454 Casull cartridge before use.
- Always follow the manufacturer's instructions and recommendations for use.
- Regularly inspect your dies and equipment for wear or damage.
- Report any unsafe products or accidents to the relevant authorities.

## Specific Safety Precautions for Use

### • Potential Hazards:

- Improper use may lead to dangerous situations, including misfires or damage to the firearm.
- Stuck cases may occur if the sizing die is not used correctly.
- The use of excessive force during reloading can result in injury.

### • Instructions for Avoiding Hazards:

- Ensure the sizing die is properly adjusted before use to avoid stuck cases.
- Do not exceed recommended load limits when reloading.
- Ensure that the bullet is properly seated before using the crimp die to avoid misfires.
- Always check that the die set is compatible with your specific handgun model.

### • AudienceSpecific Warnings:

- This product is not intended for use by individuals under the age of 18.
- Ensure that inexperienced users are supervised by knowledgeable individuals when using this equipment.

## Instructions for Installation and Usage

### 1. Setup:

- Before installation, ensure that your reloading press is securely mounted and stable.
- Remove all protective packaging from the die set.

### 2. Installing the Dies:

- Install the fulllength sizing die into the reloading press first.
- Follow with the case mouth expander die, seating die, and finally the crimp die.
- Ensure each die is tightened securely but avoid overtightening.

### 3. **Adjusting the Dies:**

- Adjust the sizing die to ensure it is properly set for the 454 Casull cartridge.
- Use the zip spindle system for easy setup and adjustment.
- Check that the expander die is set to the appropriate size for your bullets.

### 4. **Reloading Process:**

- Start with the sizing die to resize the brass cases.
- Use the case mouth expander die to prepare the case for bullet seating.
- Insert a bullet into the case neck and use the seating die to seat the bullet to the desired depth.
- Finally, use the crimp die to secure the bullet in place.

### 5. **PostUse:**

- After reloading, clean the dies to remove any residue.
- Store the die set in a safe and dry location, away from children.

## **Disposal Instructions**

- Dispose of any damaged or wornout components in accordance with local regulations.
- Do not dispose of reloading materials in regular household waste.
- Contact your local waste management authority for guidance on the proper disposal of hazardous materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the CUSTOM GRADE HANDGUN 4DIE SETS 454 CASULL 4DIE SET, please refer to the manufacturer's official website or customer service for assistance.

By following these guidelines, you can ensure a safe and effective reloading experience with your Hornady die set. Always prioritize safety and adhere to the best practices outlined in this guide. Thank you for your attention to safety.
