

ZEROED TRIGGER GUARD - CMMG ZEROED TRIGGER GUARD

[Rifle Parts](#) > [Triggers Parts](#) > [Trigger Guards](#)

ZEROED Trigger Guard While most trigger guards might be good enough for your AR, there's no need to settle for something that's just okay at best. The CMMG® ZEROED™ Trigger Guard is made from a premium polymer for maximum durability and no risk of corrosion or rusting. The extended rear eliminates the gap between the trigger guard and grip, and the enhanced drop shape provides extra room for easier operation when wearing gloves. Not to mention the unique underside styling that will set your AR apart from the crowd.

ZEROED Trigger Guard Safety Instruction Guide

Introduction

Thank you for choosing the CMMG® ZEROED™ Trigger Guard. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure that the ZEROED Trigger Guard is compatible with your specific AR model.
- Always handle firearms with care and follow all standard safety practices.
- Store the trigger guard in a dry place to avoid any potential damage.
- Regularly inspect the trigger guard for any signs of wear or damage.
- Keep the product out of reach of children and unauthorized users.

Specific Safety Precautions for Use

- Avoid using the trigger guard in extreme environmental conditions (e.g., excessive heat, cold, or moisture).
- Do not modify the trigger guard in any way, as this may compromise its integrity and safety.
- Always wear appropriate safety gear, such as gloves, when handling firearms.
- Ensure the firearm is unloaded before installing or removing the trigger guard.
- Be aware of your surroundings and ensure a clear area when operating your firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Remove the existing trigger guard from your AR by following the manufacturer's instructions.
- Align the CMMG® ZEROED™ Trigger Guard with the designated mounting area.
- Securely attach the trigger guard using the provided screws or fasteners, ensuring a snug fit.
- Verify that there are no gaps between the trigger guard and grip.

2. Usage:

- Familiarize yourself with the trigger guard's features and how it enhances your grip.
- When wearing gloves, ensure that your fingers can operate the trigger smoothly without obstruction.
- Regularly check the trigger guard's fit and functionality, especially after extensive use.

Disposal Instructions

- Dispose of the ZEROED Trigger Guard in accordance with local regulations.
- If the product is damaged beyond repair, consider recycling the polymer material where possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any inquiries related to safety or product issues, please contact the manufacturer or your local distributor. It is important to report any unsafe conditions or accidents to the relevant authorities.

Thank you for prioritizing safety and following these guidelines. Enjoy your enhanced shooting experience with

the CMMG® ZEROED™ Trigger Guard!
