# Safety Instruction Guide for Vertx Fusion Stretch Tactical Pants

## Introduction

Thank you for choosing the Vertx Fusion Stretch Tactical Pants. This guide provides essential safety instructions to ensure safe use and maintenance of your pants. Please read the following information carefully to maximize your comfort and safety while using this product.

## General Safety Guidelines

- Ensure that the pants are the correct size for your body. Refer to the size chart for accurate measurements.
- Inspect the pants regularly for any signs of wear or damage. Do not use if damaged.
- Keep the pants away from open flames and high heat sources to prevent burns or melting of the fabric.
- Avoid using the pants in environments with hazardous materials unless they are specifically designed for such use.
- Store the pants in a cool, dry place when not in use to maintain fabric integrity.

## Specific Safety Precautions for Use

- When using cargo pockets, ensure they are not overloaded to prevent strain or tearing.
- Be cautious when kneeling or bending, especially if using knee pads, to avoid falls or injuries.
- If engaging in activities that may involve physical strain, ensure that the pants fit securely but comfortably to allow for full movement.
- For individuals with sensitive skin, perform a patch test with the fabric to ensure no allergic reactions occur.
- Keep the pants away from sharp objects that may cause cuts or tears.

## Instructions for Installation and Usage

### • Wearing the Pants:

- Slip the pants on and adjust the relaxed stretch waistband for a comfortable fit.
- Ensure that the pants are not too tight around the waist or thighs to allow for ease of movement.

### • Using Cargo Pockets:

- Use the lowprofile cargo pockets for carrying small items. Ensure that items are securely stored to avoid loss or damage.
- Do not overload pockets, as this may lead to fabric strain or tears.

### • Care and Maintenance:

- Wash the pants in cold water with mild detergent to preserve fabric quality.
- Avoid bleach or fabric softeners as they can damage the material.
- Hang dry or tumble dry on low heat. Do not iron directly on the fabric; if necessary, use a low heat setting.

## Disposal Instructions

- When the pants are no longer usable, dispose of them in accordance with local waste management regulations.

- If the pants are damaged beyond repair, consider recycling the fabric if possible to minimize environmental impact.

## **Contact Information for Further Support**
