

ONE:1 BARRELS FOR GLOCK 19® - BATTLE ARMS DEVELOPMENT INC. ONE:1 FLUTED BARREL FOR GLOCK 19® GEN 2-4 THREADED BLACK

[Handgun Parts](#) > [Barrel Parts](#) > [Barrels](#)

ONE:1 utilizes revolutionary machining process where one machine comprehensively machines every part of the barrel from the beginning to the end. The process includes the ultra-precise single point cut rifling where the rifling is done with almost a hundred minuscule cuts. This method does not introduce stress to the barrel and no stress relieving is necessary after rifling. Perfect concentricity between the chamber, bore, and rifling. This process also yields uniform twist rate and ultra-accurate rifling grooves with a deviation of less than .0001in from groove depth to groove depth. Material: Heat Treated 416R Stainless Threading Options: None or 1/2 x 28 Thread Fluting: Straight Finish: Melonite QPQ Black Nitride or Stainless Steel Twist Rate: 1:10 Crown: 11° Target Crown Length: 4.5" O.A.L. W/O Thread Protector Fits: GLOCK 19~ / Gen 3, 4 & 5 / Glock 19X~ Made In USA Rated for +P ammunition Threaded Version Comes with a SABERTUBE® Dimpled Patterned Thread Protector with O-Ring.

ONE:1 Barrels for Glock 19® Safety Instruction Guide

Introduction

Thank you for choosing the ONE:1 Fluted Barrel for Glock 19® by Battle Arms Development Inc. This guide provides essential safety instructions and guidelines to ensure the safe use of your product. Please read this document carefully before using the barrel.

General Safety Guidelines

- Always handle firearms and their components with care and responsibility.
- Ensure that the barrel is compatible with your Glock model before installation.
- Follow all local laws and regulations regarding firearm modifications and usage.
- Store the barrel and any firearm components in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the barrel for any signs of wear or damage before use.
- Use only the recommended ammunition type, as specified in the product description.

Specific Safety Precautions for Use

- Do not exceed the recommended ammunition specifications. This barrel is rated for +P ammunition.
- Avoid using the barrel if it shows signs of damage, such as cracks or excessive wear.
- Ensure that the firearm is unloaded before installing or removing the barrel.
- Always wear appropriate eye and ear protection when firing.
- Do not modify the barrel or any of its components, as this may compromise safety and performance.
- Be aware of your surroundings and ensure a safe shooting environment.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is completely unloaded.
- Remove the existing barrel from your Glock 19® following the manufacturer's instructions.
- Carefully install the ONE:1 Fluted Barrel by reversing the removal process.
- Ensure that the barrel is securely fitted and properly aligned.

2. Usage:

- Before firing, doublecheck that the barrel is correctly installed and that the firearm is functioning properly.
- Clean the barrel regularly to maintain optimal performance and accuracy.
- Always follow the manufacturer's guidelines for maintenance and care.

Disposal Instructions

- Dispose of the barrel in accordance with local regulations regarding firearm components.
- If the barrel is damaged or no longer usable, consult local authorities for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the ONE:1 Fluted Barrel for Glock 19®, please refer to the

manufacturer's website or customer service resources.

This safety instruction guide is designed to ensure your safety and the proper use of the ONE:1 Fluted Barrel for Glock 19®. By following these guidelines, you can enjoy the benefits of your new barrel while ensuring a safe shooting experience.
