Safety Instruction Guide for 308 AR Carrier Carbon Scraper

Introduction

Thank you for choosing the 308 AR Carrier Carbon Scraper. This product is designed to effectively break loose and remove carbon buildup from your bolt carrier without causing damage. To ensure safe and effective use of this tool, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always use the carbon scraper in a wellventilated area.
- Keep the scraper out of reach of children and vulnerable individuals.
- Inspect the scraper before each use to ensure it is in good condition.
- Do not use the carbon scraper for any purpose other than its intended use.
- Follow all local regulations and guidelines when using this product.

Specific Safety Precautions for Use

• Potential Hazards:

- Sharp edges: The hardened steel scraper tip can cause cuts or injuries.
- Carbon deposits: Some carbon buildup may be hazardous if inhaled or ingested.

• Avoiding Hazards:

- Always wear safety gloves and protective eyewear when using the scraper.
- Ensure that the area is free from flammable materials before use.
- Do not apply excessive force when scraping to prevent damage to the bolt carrier and to minimize the risk of injury.
- If you experience any discomfort or irritation while using the scraper, stop immediately and seek medical advice.

Instructions for Installation and Usage

• Installation:

- The 308 AR Carrier Carbon Scraper does not require assembly. It is ready for use upon purchase.

• Usage:

1. Ensure the firearm is unloaded and safe before beginning any cleaning.
2. Identify areas of carbon buildup on the bolt carrier.
3. Hold the scraper firmly by the plastic handle.
4. Gently insert the hardened steel scraper tip into the carbon buildup.
5. Carefully scrape away the carbon deposits, applying light pressure.
6. Wipe the area clean with a cloth after scraping.
7. After use, clean the scraper and store it in a safe place.

Disposal Instructions

- Dispose of the carbon scraper in accordance with local regulations.

- If the scraper becomes damaged or unusable, do not attempt to repair it. Dispose of it responsibly.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the 308 AR Carrier Carbon Scraper, please refer to the product packaging or your point of purchase for contact information.

By following these safety instructions, you can ensure a safe and effective experience with your 308 AR Carrier Carbon Scraper. Thank you for your attention to safety.
