

BROWNING T-BOLT 10RD MAGAZINE 22 WMR - BROWNING T-BOLT MAGAZINE 22 WMR 10RD POLYMER GRAY

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

Slimmer, lighter and easier to handle than the competition's rotary rimfire magazine, the ten-round Double Helix uses a torsion drive spring and interlocking gear design to maintain correct timing and exact cartridge alignment for smooth, reliable feeding. The translucent gray body allows for easy verification of the number of remaining cartridges. Ammunition can be removed by moving the exposed gear back slightly to gently drop each cartridge without tools or scraped fingers. The smooth, rounded exterior contours of the Double Helix, along with twin gripping grooves, tapered shape and a slightly extended baseplate design make insertion positive, while the spring-assisted drop-free magazine ejection feature allows for rapid magazine changes. The new Browning Double Helix rotary magazine system is easy to load, easy to carry and easy to use.

Attributes

- Name: [BROWNING T-BOLT MAGAZINE 22 WMR 10RD POLYMER GRAY](#)

BROWNING TBOLT 10RD MAGAZINE Safety Instruction Guide

Introduction

Thank you for choosing the BROWNING TBOLT 10RD MAGAZINE. This guide provides important safety information and instructions to ensure safe usage of your magazine. Please read this manual carefully before using the product.

General Safety Guidelines

- Always handle the magazine with care to prevent accidents.
- Ensure the magazine is empty before cleaning, loading, or performing maintenance.
- Store the magazine in a safe place, out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear. Do not use a damaged magazine.
- Follow all local laws and regulations regarding the use of firearms and ammunition.

Specific Safety Precautions for Use

- **Loading Ammunition:**
 - Always ensure the firearm is pointed in a safe direction when loading the magazine.
 - Use only compatible ammunition (22 WMR) for this magazine.
- **Ejection of Magazine:**
 - Use the springassisted dropfree feature to eject the magazine safely.
 - Avoid placing fingers near the magazine release mechanism during ejection.
- **Handling:**
 - Do not attempt to disassemble the magazine beyond the manufacturer's instructions.
 - Keep the magazine away from moisture and extreme temperatures to maintain its integrity.

Instructions for Installation and Usage

- **Loading the Magazine:**
 1. Ensure the magazine is clean and free of obstructions.
 2. Hold the magazine with the baseplate facing down.
 3. Insert cartridges into the magazine, ensuring they are aligned correctly.
 4. Verify that the magazine is loaded by checking the translucent gray body.
- **Inserting the Magazine into Firearm:**
 1. Ensure the firearm is pointed in a safe direction.
 2. Align the magazine with the magazine well of the firearm.
 3. Push the magazine firmly until it clicks into place.
- **Ejecting the Magazine:**
 1. Ensure the firearm is pointed in a safe direction.
 2. Press the magazine release button.

3. Allow the magazine to drop free using the springassisted mechanism.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer usable, consider recycling the polymer material where facilities exist.
- Do not dispose of the magazine in general waste if it contains any ammunition.

Contact Information for Further Support

For any questions or concerns regarding the BROWNING TBOLT 10RD MAGAZINE, please refer to the manufacturer's website or contact your local Browning representative. Always ensure that you have the latest information regarding product recalls and safety notices by checking the EU's Safety Gate platform.

Please remember that your safety is paramount. Following these guidelines will help ensure a safe and enjoyable experience with your BROWNING TBOLT 10RD MAGAZINE.
