

M16 5.56 BOLT CARRIER GROUP - COLT M16 5.56 BOLT CARRIER GROUP

[Rifle Parts](#) > [Bolt Parts](#) > [Bolt Carrier Groups](#)

Complete, mil-spec assembly with bolt, bolt carrier, and firing pin ready to drop into the rifle or carbine upper of your choice. Each bolt assembly is high pressure tested and magnetic particle inspection tested to ensure it's free from imperfections that can lead to premature failures. Properly staked gas key prevents gas leakage that can lead to short stroking. M16-style carrier on the black phosphate model has full-length shroud for tripping auto sear, so this carrier may be installed on full-auto law enforcement and military rifles. Carrier and gas key are chrome lined for smooth cycling and resistance to wear from hot combustion gases for years of dependable service.

Safety Instruction Guide for M16 5.56 Bolt Carrier Group

Introduction

Thank you for choosing the M16 5.56 Bolt Carrier Group. This product is designed for use in AR15/M16 platforms and is manufactured to high standards for safety and reliability. Please read this safety instruction guide carefully to ensure safe operation and maintenance of your Bolt Carrier Group.

General Safety Guidelines

- Ensure that you are familiar with the operation and safety features of your firearm before using this product.
- Always treat every firearm as if it is loaded.
- Store firearms and ammunition securely and out of reach of unauthorized users, especially children.
- Follow all local laws and regulations regarding the use and ownership of firearms.
- Regularly inspect your firearm and its components for wear or damage.
- Use only manufacturerrecommended parts and accessories to maintain the integrity and safety of your firearm.

Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when handling or firing a firearm.
- Keep your fingers off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Do not attempt to modify the Bolt Carrier Group or any other firearm components.
- Ensure that the firearm is pointed in a safe direction during installation and handling.
- If you experience any malfunctions or irregularities while using your firearm, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation

1. **Ensure Safety:** Before installation, make sure your firearm is unloaded. Remove any ammunition from the chamber and magazine.
2. **Disassemble the Upper Receiver:** Follow the manufacturer's guidelines to safely disassemble your upper receiver.
3. **Insert the Bolt Carrier Group:** Place the M16 5.56 Bolt Carrier Group into the upper receiver, ensuring it is seated properly.
4. **Reassemble the Upper Receiver:** Follow the manufacturer's guidelines to reassemble the upper receiver securely.
5. **Function Check:** Perform a function check to ensure the Bolt Carrier Group operates smoothly and correctly.

Usage

- Always verify that your firearm is compatible with the M16 5.56 Bolt Carrier Group before use.
- Use only 5.56 mm NATO ammunition in conjunction with this Bolt Carrier Group.
- Regularly clean and maintain the Bolt Carrier Group to ensure optimal performance and longevity.
- Monitor for signs of wear or damage during regular inspections.

Disposal Instructions

- Dispose of the M16 5.56 Bolt Carrier Group in accordance with local regulations regarding firearm components.
- If the Bolt Carrier Group is damaged or worn beyond safe use, do not attempt to repair it. Dispose of it responsibly.
- Ensure that all components are disposed of in a manner that prevents unauthorized access.

Contact Information for Further Support

For any questions or concerns regarding the M16 5.56 Bolt Carrier Group, please consult your local dealer or a qualified gunsmith. It is important to ensure that you have access to professional guidance for any issues that may arise.

By adhering to these safety guidelines and instructions, you will help ensure a safe and enjoyable experience with your M16 5.56 Bolt Carrier Group. Always prioritize safety and responsible handling of firearms.
