## A OEM Replacement Barrel for Your Colt AR-15

Is it about time to replace the worn-out barrel on your Colt LE6920 AR-15? Maybe you're just looking to build a custom rifle and want a Colt-pattern barrel? Whatever the case, Colt now offers its factory-produced LE6920 AR-15 replacement barrels, so you can get the exact same barrel that's put on Colt's factory guns. Each Colt LE6920 Replacement Barrel features six-groove rifling with a 1:7-inch rate of twist. The barrels include M4-style feed ramps and have a chrome lining that prevents corrosion. Each barrel is set up for a carbine-length gas system and features 1/2"-28 TPI threading at the muzzle. Colt's LE6920 Replacement barrels are available in 16-inch lengths and can be had as a stripped barrel, complete with barrel extension, or as an assembly that includes a barrel nut, front-sight tower, post and sling swivel.

# Safety Instruction Guide for Colt LE6920 AR15 Replacement Barrel

## Introduction

Thank you for choosing the Colt LE6920 AR15 Replacement Barrel. This guide is designed to ensure your safety while using this product and to provide you with essential information regarding its installation and usage. Please read this guide carefully before proceeding.

## General Safety Guidelines

- Ensure that you are familiar with local laws and regulations regarding firearm ownership and usage.
- Always treat firearms as if they are loaded.
- Keep the barrel and firearm out of reach of children and unauthorized users.
- Inspect the barrel for any visible defects before installation.
- Use only compatible components when assembling your firearm.
- Store your firearm and its components in a secure location.

## Specific Safety Precautions for Use

- Always wear appropriate eye and ear protection when firing your rifle.
- Ensure the firearm is pointed in a safe direction at all times.
- Do not modify the barrel or any firearm components unless you are a qualified gunsmith.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not exceed the recommended ammunition specifications for your barrel.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure that your workspace is clean and free of distractions.
- Gather all necessary tools and components, including the Colt LE6920 Replacement Barrel, barrel extension, barrel nut, front sight tower, post, and sling swivel.

### 2. Installation:

- Remove the existing barrel from your Colt LE6920 by following the manufacturer's instructions.
- Install the barrel extension onto the new Colt LE6920 Replacement Barrel.
- Attach the barrel to the upper receiver, ensuring that it is properly aligned.
- Secure the barrel using the barrel nut, ensuring it is tightened to the manufacturer's specifications.
- Install the front sight tower, post, and sling swivel as per the manufacturer's instructions.

### 3. Final Checks:

- Inspect the installation to ensure all components are securely attached.
- Perform a function check on your rifle to ensure proper operation.
- Clean and lubricate the barrel as necessary before use.

## Disposal Instructions

- Dispose of any unused or defective components in accordance with local regulations.
- Do not discard the barrel in regular waste. Check for local recycling programs or hazardous waste disposal options.

## **Contact Information for Further Support**

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact your local Colt distributor.

By following these safety instructions, you can ensure the safe and effective use of your Colt LE6920 AR15 Replacement Barrel. Always prioritize safety and responsible firearm handling.
