Traditions Accelerator Breech Plug Safety Instructions

Introduction

Thank you for choosing the Traditions Accelerator Breech Plug. This product is designed to enhance your shooting experience while ensuring safety and compliance with EU regulations. Please read these safety instructions carefully to ensure proper use and maintenance of your breech plug.

General Safety Guidelines

- Always handle the breech plug with care and respect as you would with any firearm component.
- Store the breech plug in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the breech plug for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of firearms and related accessories.

Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or removing the breech plug.
- Use only approved and compatible ammunition with the Traditions Accelerator Breech Plug.
- Avoid using the breech plug in wet or damp conditions, as moisture can affect its performance and safety.
- Never modify or attempt to repair the breech plug yourself; always seek professional assistance for repairs.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is completely unloaded.
- Align the breech plug with the corresponding threads in the firearm.
- Gently screw the breech plug into place, ensuring it is secure but not overly tightened.
- Confirm that the breech plug is properly seated and aligned.

2. Usage:

- Always follow the manufacturer's instructions for loading and firing your firearm.
- Keep your finger off the trigger until you are ready to shoot.
- Maintain a safe distance from others while firing.
- After firing, allow the firearm to cool before attempting to remove the breech plug.

Disposal Instructions

- Dispose of the breech plug in accordance with local regulations.
- If the breech plug is damaged or no longer in use, do not throw it in regular trash. Instead, contact a local waste management facility for proper disposal methods.

Contact Information for Further Support
