MTM Sportsmen's Plus Utility Dry Box Safety Instruction Guide

Introduction

Thank you for choosing the MTM Sportsmen's Plus Utility Dry Box ORing Sealed 15x8.8x9.4. This product is designed to provide reliable storage for various items while ensuring safety during use. Please read this safety instruction guide carefully to understand the proper handling, usage, and maintenance of your dry box.

General Safety Guidelines

- Ensure the dry box is used for its intended purpose only.
- Regularly inspect the dry box for any signs of damage or wear.
- Keep the dry box out of reach of children and vulnerable individuals.
- Store the dry box in a cool, dry place when not in use.
- Report any unsafe conditions or incidents to the appropriate authorities.

Specific Safety Precautions for Use

- Always ensure the lid is securely closed before transport to prevent contents from spilling.
- Avoid overloading the dry box to maintain its structural integrity.
- Do not expose the dry box to extreme temperatures or direct sunlight for prolonged periods.
- Do not use the dry box for storing food or perishable items.
- If the dry box is damaged, cease use immediately and dispose of it properly.

Instructions for Installation and Usage

1. Unpacking the Dry Box:

- Carefully remove the dry box from its packaging.
- Inspect for any visible damage or missing parts.

2. Preparing for Use:

- Ensure the Oring seal is clean and free from debris.
- Check that the lid fits securely on the base of the box.

3. Filling the Dry Box:

- Place items inside the dry box, ensuring not to exceed the recommended weight limit.
- Distribute the weight evenly to maintain balance.

4. Sealing the Dry Box:

- Close the lid firmly, ensuring the Oring is compressed to create a watertight seal.
- Check the seal by gently pressing on the lid to ensure it is secure.

5. Transporting the Dry Box:

- Carry the dry box by the handles if available.
- Avoid dropping or dragging the box to prevent damage.

6. Storing the Dry Box:

- Store in a dry location, away from moisture and extreme temperatures.
- Ensure the box is closed and sealed when storing.

Disposal Instructions

- Dispose of the dry box in accordance with local regulations for plastic and composite materials.
- Do not incinerate the dry box as it may release harmful substances.
- If the dry box is damaged beyond repair, consider recycling if possible.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the MTM Sportsmen's Plus Utility Dry Box, please contact the manufacturer or your local retailer. They will provide you with the necessary support and information regarding product safety and usage.

By following these guidelines, you can ensure the safe and effective use of your MTM Sportsmen's Plus Utility Dry Box. Thank you for your attention to safety!
