

BROWNING BAR/BLR LONG ACTION SCOPE BASES - EGW

BROWNING BAR/BLR LA 1-PIECE PICATTINY BASE 0 MOA SILVER

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

EGW Browning BAR/BLR Long Action Scope Bases. Add the versatility of a one-piece Picatinny scope rail to your shotgun with no drilling or tapping. Precision machined from extruded aluminum with Picatinny slot-and-rail spacing that allows fast and simple changes to eye relief, plus great flexibility in scope choice. Drilled to fit the factory scope mount holes on the gun's receiver. Accepts Picatinny or Weaver scope rings. Lightweight Tactical mounts have a milled center channel for weight reduction. Full-width cross-slots are gauged to MIL-STD 1913 specs to +/- .002". Machined from ultra-rigid, extruded 6061 T6 aluminum. Includes socket head Torx® screws and wrench. EGW recommends 20 inch lbs of torque and a drip of blue loctite for mounting.

Safety Instruction Guide for EGW Browning BAR/BLR Long Action Scope Bases

Introduction

Thank you for choosing the EGW Browning BAR/BLR Long Action Scope Bases. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your new scope bases. Please read this document carefully before installation and usage.

General Safety Guidelines

To ensure your safety and the proper functioning of the product, please adhere to the following guidelines:

- Always follow local laws and regulations regarding firearm accessories.
- Inspect the product for any damage or defects before use.
- Ensure that the product is compatible with your firearm model.
- Keep the product out of reach of children and unauthorized users.
- Use the product only for its intended purpose.
- Report any unsafe products or incidents to the appropriate authorities.

Specific Safety Precautions for Use

When using the EGW Browning BAR/BLR Long Action Scope Bases, observe the following precautions:

- **Installation Safety:** Ensure that the firearm is unloaded and pointed in a safe direction during installation.
- **Torque Specifications:** Follow the recommended torque specifications (20 inch lbs) to avoid damage to the scope bases or firearm.
- **Use of Loctite:** Apply a drip of blue loctite to the screws during installation to prevent loosening due to recoil.
- **Scope Compatibility:** Only use Picatinny or Weaver scope rings that are compatible with the rail.
- **Weight Considerations:** Be aware that while the mounts are lightweight, improper installation could affect balance and handling.

Instructions for Installation and Usage

Follow these steps for the proper installation and usage of your EGW Browning BAR/BLR Long Action Scope Bases:

1. Preparation:

- Gather the necessary tools: a Torx® wrench and blue loctite.
- Ensure the firearm is unloaded and in a safe position.

2. Installation:

- Align the scope base with the factory scope mount holes on the receiver.
- Insert the provided socket head Torx® screws into the base and tighten them to the recommended torque of 20 inch lbs.
- Apply a drip of blue loctite to the screws to secure them.

3. Scope Mounting:

- Choose the appropriate Picatinny or Weaver scope rings for your scope.

- Mount the scope according to the manufacturer's instructions, ensuring it is securely fastened.

4. Final Check:

- Verify that all screws are tightened and that the scope is properly aligned.
- Perform a function check on the firearm to ensure everything operates smoothly.

Disposal Instructions

When disposing of the product, please follow these guidelines:

- Dispose of the product in accordance with local regulations for aluminum and metal waste.
- Do not dispose of the product in regular household waste.
- If the product is damaged or defective, contact local waste management for proper disposal instructions.

Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the manufacturer's website or contact their customer service directly.

By following this safety instruction guide, you can ensure a safe and enjoyable experience with your EGW Browning BAR/BLR Long Action Scope Bases. Thank you for your attention to these important safety measures.
