

BROWNING AB3 SHORT ACTION PICATINNY SCOPE MOUNT - EGW

BROWNING AB3 SA 1-PIECE PICATINNY BASE 20 MOA

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Rifle Bases](#)

This mount comes standard with a bevel on both sides making it ambidextrous. EGW recommends measuring the hole spacing in your receiver to confirm it matches with the dimensions they have published. Picatinny cross slots run the full length of the rail, which gives the shooter flexibility when mounting scope rings and other accessories. The channel in the center reduces the overall mass of the mount. Also, in many cases, it will not obstruct usage of factory iron sights. Their one-piece scope mounts are the obvious choice for hunters and tactical shooters alike. They machine these in their shop using one of their machining centers. After machining, the mounts are tumbled, sand blasted, and Type II anodized for long lasting durability. Installation: EGW recommends 20 inch lbs of torque and a drip of blue loctite (loctite is sold separately). They recommend: 0 MOA - if shooting 0-500 yards 20 MOA - if shooting 500-1000 yards When zeroing your rifle with a 20 MOA mount, they recommend zeroing at 200 yards. The entire mount and accessories (from the mounting screws and wrench down to the packaging) are made in the USA.

Attributes

- Name: [EGW BROWNING AB3 SA 1-PIECE PICATINNY BASE 20 MOA](#)
- Manufacturer: [EGW](#)
- Product no.: 296000624
- Mfr. No.: 43404
- Action Type: Short

Safety Instruction Guide for BROWNING AB3 SHORT ACTION PICATINNY SCOPE MOUNT

Introduction

Thank you for choosing the BROWNING AB3 SHORT ACTION PICATINNY SCOPE MOUNT. This guide provides essential safety instructions to ensure the safe and effective use of your scope mount. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Always handle the scope mount with care to prevent damage or injury.
- Ensure that the mount is compatible with your rifle by measuring the hole spacing in your receiver.
- Regularly inspect the mount for any signs of wear or damage.
- Store the mount in a dry, cool place to prevent corrosion.
- Keep the mount out of reach of children and vulnerable individuals.

Specific Safety Precautions for Use

- Do not exceed the recommended torque of 20 inch lbs during installation.
- Use a drop of blue Loctite on the screws to ensure a secure fit (Loctite is sold separately).
- Avoid using the mount if it is damaged or if the screws are stripped.
- Ensure that the mount does not obstruct the usage of factory iron sights.
- When zeroing your rifle with a 20 MOA mount, always zero at 200 yards for optimal performance.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and a suitable screwdriver.
- Ensure the rifle is unloaded and pointed in a safe direction.

2. Installation:

- Measure the hole spacing in your receiver to confirm compatibility with the mount dimensions.
- Align the mount with the mounting holes on your rifle.
- Insert the screws and handtighten them initially.
- Use a torque wrench to tighten the screws to 20 inch lbs.
- Apply a drop of blue Loctite to each screw before final tightening.

3. Usage:

- After installation, check the stability of the mount by gently shaking it.
- Mount your scope rings and any additional accessories using the Picatinny cross slots.
- Always ensure that your scope is securely mounted before use.

Disposal Instructions

- Dispose of the scope mount in accordance with local regulations.
- If the mount is damaged beyond use, consider recycling the aluminum material where possible.
- Do not dispose of the mount in regular household waste.

Contact Information for Further Support

For any safety inquiries or assistance regarding the BROWNING AB3 SHORT ACTION PICATINNY SCOPE MOUNT, please refer to the manufacturer's website or customer service resources.

Conclusion

By following these safety instructions, you can ensure the safe and effective use of your BROWNING AB3 SHORT ACTION PICATINNY SCOPE MOUNT. If you have any questions or concerns, please seek further assistance before using the product. Thank you for your attention to safety.
