FCT1 FootOperated Speed Control Safety Instructions

Introduction

Thank you for choosing the FCT1 FootOperated Speed Control by Blackstone. This device is designed to provide comfortable and precise control for your Foredom SR Power Tool and other compatible models. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose, as specified in the product manual.
- Always inspect the device for any signs of damage before use. Do not use if damaged.
- Keep the foot pedal and power tool clean and free of debris to prevent accidents.
- Ensure that the working area is welllit and free from clutter.
- Avoid using the foot pedal in wet or damp conditions.
- Do not operate the foot pedal with wet hands or while standing on wet surfaces.
- Be aware of your surroundings to avoid tripping hazards.
- Follow all local regulations regarding the use of electric tools.

Specific Safety Precautions for Use

- Always use the foot pedal with compatible Foredom models (SR, L, LB, S, SB, CC, DD) and the Dremel FlexShaft tool.
- Do not modify the foot pedal or attempt to repair it yourself. Contact a professional for repairs.
- Keep fingers and other body parts away from moving parts of the tool while in operation.
- Do not overload the foot pedal beyond its specified voltage (115V).
- Ensure all connections are secure before operating the tool.
- Use appropriate personal protective equipment (PPE) such as safety glasses and gloves when operating power tools.
- If you experience any unusual noises or vibrations while using the foot pedal, stop using it immediately and check for issues.

Instructions for Installation and Usage

1. Installation

- Place the foot pedal on a stable, flat surface where it will not move during use.
- Connect the foot pedal to your Foredom SR Power Tool or compatible model as per the manufacturer's instructions.
- Plug the foot pedal into a suitable electrical outlet (115V).
- Ensure that all connections are secure before proceeding.

2. Usage

- Position your foot comfortably on the pedal.
- Gradually press down on the pedal to increase the speed of the power tool.
- Release the pedal to decrease the speed or stop the tool.
- Use both hands to guide the tool while keeping your foot on the pedal for control.
- Always turn off the power tool when not in use.

Disposal Instructions

- Dispose of the product in accordance with local regulations for electronic waste.
- Do not dispose of the foot pedal in regular household waste.
- Consider recycling options where available to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding product safety or support, please consult the manufacturer's contact information provided on the product packaging or user manual.

By following these guidelines, you can ensure the safe and effective use of your FCT1 FootOperated Speed Control. Your safety is our priority. Thank you for your attention to these important instructions.
