

# 3-IN-1 CASE MOUTH CUTTER - FORSTER PRODUCTS, INC. 0.277" 3-IN-1 PILOT

[Reloading](#) > [Case Preparation](#) > [Case Mouth Chamfering](#)

The 3-In-1 Case Mouth Cutter from Forster creates a perfectly aligned, consistent chamfer on the inside and outside of the case mouth to help ensure benchrest quality handloads. Installs easily over the existing cutter shaft on all Foster Original and Power Case trimmers. Chamfers the inside to a 14° angle that works for both VLD boat tail and standard bullets. Outside is chamfered to a 30° angle, plus is fully adjustable for chamfer length. Long lasting carbide blades hold edge indefinitely with proper care.

# 3IN1 CASE MOUTH CUTTER SAFETY INSTRUCTION GUIDE

## Introduction

Thank you for choosing the 3In1 Case Mouth Cutter from Forster Products, Inc. This tool is designed to create a perfectly aligned, consistent chamfer on the inside and outside of the case mouth, ensuring highquality handloads. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

## General Safety Guidelines

- Ensure the product is used only for its intended purpose as specified in the product description.
- Keep the product out of reach of children and vulnerable individuals.
- Always inspect the tool before use to ensure it is in good working condition.
- Use the tool in a welllit area to avoid accidents.
- Follow all instructions for installation and usage to minimize risks.
- Report any unsafe product conditions or accidents to the relevant authorities.

## Specific Safety Precautions for Use

- Do not use the cutter if it is damaged or if the blades are dull.
- Wear protective eyewear when using the cutter to prevent eye injuries from debris.
- Keep hands away from the cutting area during operation.
- Ensure the cutter is securely attached to the trimmer before use.
- Do not exceed the recommended cutting speed or pressure during operation.
- Store the cutter in a safe place when not in use to prevent accidental injury.

## Instructions for Installation and Usage

### Installation

1. **Prepare the Trimmer:** Ensure your Forster Original or Power Case Trimmer is clean and free of debris.
2. **Remove Existing Cutter:** If necessary, remove the existing cutter shaft from the trimmer.
3. **Attach the 3In1 Case Mouth Cutter:**
  - Align the cutter with the cutter shaft.
  - Slide the cutter onto the shaft until it is securely in place.
4. **Adjust the Chamfer Length:** Use the adjustment mechanism to set the desired chamfer length.

### Usage

1. **Select the Case:** Choose the case you wish to chamfer.
2. **Insert the Case:** Place the case into the trimmer securely.
3. **Chamfering:**
  - Turn on the trimmer.
  - Slowly feed the case into the cutter, ensuring it is aligned properly.
  - Allow the cutter to chamfer the inside to a 14° angle and the outside to a 30° angle.
4. **Check the Chamfer:** After chamfering, inspect the case mouth to ensure a consistent finish.
5. **Repeat as Necessary:** Repeat the process for additional cases as needed.

## Disposal Instructions

- Dispose of the product in accordance with local regulations.

- If the product is no longer usable, ensure that it is disposed of in a way that prevents injury to others.
- Recycle any materials that can be recycled according to your local waste management guidelines.

## **Contact Information for Further Support**

For safety inquiries, product support, or to report unsafe conditions, please contact the manufacturer directly. Ensure you have the product details available for reference.

By adhering to these safety guidelines and instructions, you can ensure a safe and effective experience with your 3In1 Case Mouth Cutter. Thank you for your attention to safety, and happy handloading!
