

IRON SIGHT SLIDE FOR GLOCK™ 21 GEN 3 SS NITRIDE - BROWNELLS IRON SIGHT SLIDE FOR GLOCK 21 GEN 3

[Handgun Parts](#) > [Slide Parts](#) > [Slides](#)

Perfect "Top Half" for a D.I.Y. Custom Pistol The Brownells Iron Sight Slide for Glock 21® Gen3 enables you to build a custom Glock®-style pistol with a slide that sports distinctive front and rear cocking serrations. The front serrations aid in manipulating the slide, especially for quick chamber checks. Both the front and rear serrations are cut to the same depth as the Glock® factory slide serrations to ensure preservation of structural rigidity. The top edges and the front around the muzzle area are chamfered to reduce the risk of snagging on clothing and to make holstering the pistol easier. Accepts Gen3 Glock® 21 internal parts Factory cuts for iron sights Sturdy machined 17-4 stainless steel Hardened to Rockwell "C" 41-44 for superb wear resistance Durable, non-reflective matte Black Nitride finish Channel liner not included; please order separately (see note below) Like all Brownells slides, the Iron Sight model for Glock® 21 Gen3 is precision machined from solid 17-4 stainless steel billet to factory specifications inside so it is compatible with any factory or aftermarket Gen3 internal components. Outside, there's a Glock® factory rear sight dovetail and a standard Glock® front sight tenon cut ready for any factory or aftermarket sights you choose. This is the perfect companion "top-half" for a custom pistol build. Brownells Gun Tech™ Note: Channel liner required for these slides. Channel liner is a press fit and requires a tool to install. We recommend #777-100-017.

Safety Instruction Guide for Brownells Iron Sight Slide for Glock 21 Gen 3

Introduction

Thank you for choosing the Brownells Iron Sight Slide for Glock 21 Gen 3. This product is designed to enhance your custom pistol build while ensuring safety during use. Please read and follow these safety instructions carefully to ensure proper handling, installation, and usage.

General Safety Guidelines

- Ensure the product is used only by individuals who are familiar with firearms and their operation.
- Always treat firearms as if they are loaded.
- Keep the firearm pointed in a safe direction at all times.
- Store the slide and any firearms in a secure place, out of reach of children and unauthorized users.
- Regularly inspect the slide for any signs of wear or damage before use.
- Ensure that the slide is compatible with your Glock 21 Gen 3 and that all internal parts are properly installed.

Specific Safety Precautions for Use

- Only use the slide with Glock 21 Gen 3 internal components to avoid compatibility issues.
- Avoid using the slide in wet or damp conditions to prevent corrosion.
- Do not attempt to modify the slide or use it with aftermarket parts that are not compatible.
- Always wear appropriate eye and ear protection when handling or firing a firearm.
- Be aware of your surroundings and ensure that you are in a safe environment when handling firearms.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is unloaded before beginning the installation process.
- Gather necessary tools, including a channel liner installation tool (recommended: #777100017).

2. Installation:

- Remove the existing slide from your Glock 21 Gen 3 by following the manufacturer's instructions.
- Insert the channel liner into the new slide. Ensure it is a press fit and use the appropriate tool for installation.
- Align the slide with the frame of the Glock 21 Gen 3 and ensure it is seated properly.
- Reinstall any factory or aftermarket sights as desired.

3. Usage:

- After installation, perform a function check to ensure the slide operates smoothly with the internal components.
- Once confirmed, you may proceed to use the firearm in accordance with standard firearm safety practices.

Disposal Instructions

- Dispose of any packaging materials in accordance with local waste disposal regulations.
- If the slide becomes damaged beyond repair, consult local regulations for the proper disposal of firearm

components.

Contact Information for Further Support

For any questions or concerns regarding the Brownells Iron Sight Slide for Glock 21 Gen 3, please refer to the manufacturer's website or customer support resources.

Conclusion

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Brownells Iron Sight Slide for Glock 21 Gen 3. Always prioritize safety when handling firearms and seek professional guidance if you are unsure about any procedures. Thank you for your attention to safety.
