

LEAP/08 30MM QUICK DETACH SCOPE MOUNTS - SCALARWORKS

AR-15 30MM 1.57" LEAP/08 QUICK DETACH RING MOUNT BLACK

[Optics & Mounting](#) > [Rings, Mounts & Bases](#) > [Mount Sets](#)

LEAP/08 State of the art 30mm scope mounts. Designed for shooters who want the lightest, stiffest, and easiest to use quick-detach scope mount possible. The LEAP/08 base incorporates different structural elements to maximize overall performance. A large diameter tubular section up front to resist torsion from side impacts, and a very wide I-beam bridge in the rear to resist recoil induced oscillations. Every Leap mount is CNC milled from 7075-T6 Aluminum billet, which has vastly superior mechanical properties to 6061-T6, and is used where ultimate strength and durability outweigh cost considerations. ViseRing™ Designed from the ground up to be lighter, lower-profile, and easier to use than traditional split rings. A low-profile design doesn't get in your way of viewing or manipulating your scope's adjustment turrets. A pair of tapered CNC machined screws lock into the base, bolstering structural rigidity. Wider than competing designs, providing more surface area to safely and securely hold your scope. A high-strength, multi-link hinge eliminates the uncertain and tedious setup required by split rings. LEAP mounts have no protruding levers, bolts, or knobs to rap your knuckles, or get caught on clothing, gear, and surroundings.

Attributes

- Name: [SCALARWORKS AR-15 30MM 1.57" LEAP/08 QUICK DETACH RING MOUNT BLACK](#)
- Manufacturer: [SCALARWORKS](#)
- Product no.: 430100488
- Mfr. No.: SW0810
- Finish: Black
- Scope Tube Diameter: 30mm
- Style: Picatinny
- Delivery weight: 0.318kg
- Shipping height: 64mm
- Shipping width: 102mm
- Shipping length: 152mm
- UPC: 856481007447

Safety Instruction Guide for LEAP/08 30MM Quick Detach Scope Mounts

Introduction

Thank you for choosing the LEAP/08 30MM Quick Detach Scope Mounts by SCALARWORKS. This guide provides essential safety instructions and usage guidelines to ensure the safe and effective use of your scope mounts. Please read this document carefully before installation and use.

General Safety Guidelines

- Ensure the product is used only for its intended purpose.
- Always inspect the scope mount for any damage before use.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe products or incidents to the appropriate authorities.
- Stay informed about product recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

• Installation Precautions:

- Ensure the firearm is unloaded before attaching or adjusting the scope mount.
- Use proper tools to avoid damaging the mount during installation.

• Usage Precautions:

- Regularly check the tightness of the mount to ensure it is securely attached.
- Avoid using excessive force when adjusting the scope.
- Be aware of your surroundings and ensure a safe shooting environment.

• Storage Precautions:

- Store the scope mount in a cool, dry place away from direct sunlight.
- Avoid exposing the mount to harsh chemicals or extreme temperatures.

Instructions for Installation and Usage

1. Installation:

- Start with the firearm unloaded and in a safe position.
- Align the LEAP/08 mount with the Picatinny rail on your firearm.
- Secure the mount using the provided tapered CNC machined screws. Ensure they are tightened to the manufacturer's specifications.
- Doublecheck that the mount is firmly attached before proceeding.

2. Usage:

- Adjust the scope to your desired settings after installation.
- Always ensure that the mount is functioning properly before each use.
- If you notice any irregularities, such as looseness or improper alignment, stop using the mount immediately and consult a professional.

3. Maintenance:

- Clean the mount regularly with a soft cloth to remove dust and debris.
- Inspect the mount for wear and tear, and replace any damaged components as necessary.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not throw the product in regular trash if it contains any electronic components.
- Consider recycling materials where possible to minimize environmental impact.

Contact Information for Further Support

For any inquiries regarding safety or product support, please consult the manufacturer's contact information provided with your product.
