

TRAUMA KIT NOW! ESSENTIALS SUPPLIES - BLUE FORCE GEAR

TRAUMA KIT NOW! ESSENTIAL SUPPLIES OD GREEN

[Emergency & Survival Gear](#) > [First Aid](#) > [First Aid Kits](#)

The Trauma Kit NOW! - MEDIUM is a MOLLE mounted medical kit that can be deployed in seconds. This first aid pouch was originally designed to hold the contents of the Army IFAK and other medical supplies. This medical kit mounts on a 3 x 3 MOLLE field, a battle belt or other MOLLE Compatible Surfaces using the patented BFG Helium Whisper Attachment System. The Helium Whisper Attachment System is the lightest MOLLE attachment system in existence. Featuring less bulk so it sits closer to the body armor, pack or belt system. It has fewer parts to fail and is metal free to reduce secondary fragmentation. Best of all, Helium Whisper offers overall weight savings of up to 40% over traditional pouches. ESSENTIALS SUPPLIES INCLUDE: Trauma Gloves (Rolled 1x Pair) Quikclot Bleeding Control Dressing (1x) Emergency Trauma Dressing 6" (1x) Hypothermia Blanket - Green / Silver (1x) Flat Fold Tape (1x) Compressed Gauze (1x) SWAT-T Pressure Device (1x)

Trauma Kit NOW! Safety Instructions

Introduction

Thank you for choosing the Trauma Kit NOW! – MEDIUM by Blue Force Gear. This medical kit is designed to provide essential first aid supplies in a compact, MOLLE mounted format. It is crucial to understand how to use this kit safely and effectively. This guide will provide you with important safety instructions and guidelines to ensure your safety and the safety of others.

General Safety Guidelines

- Ensure that the Trauma Kit is kept out of reach of children and vulnerable individuals.
- Regularly check the contents of the kit to ensure all supplies are within their expiration dates and in good condition.
- Familiarize yourself with the contents of the kit and their intended use before an emergency arises.
- In case of an emergency, do not hesitate to call for professional medical help in addition to using the kit.
- Report any incidents involving the kit or its contents to the appropriate authorities.

Specific Safety Precautions for Use

- Always wear gloves when handling blood or bodily fluids to minimize the risk of infection.
- Do not use any supplies that are damaged or expired.
- When using the Quikclot Bleeding Control Dressing or Emergency Trauma Dressing, follow the instructions provided on the packaging for proper application.
- Be cautious when using the SWATT Pressure Device; ensure it is applied correctly to avoid causing further injury.
- The Hypothermia Blanket is for emergency use only; ensure it is used in accordance with the guidelines provided.

Instructions for Installation and Usage

1. Mounting the Kit

- The Trauma Kit NOW! can be mounted on a 3 x 3 MOLLE field, a battle belt, or other MOLLE compatible surfaces.
- Use the BFG Helium Whisper Attachment System for secure mounting.
- Ensure the kit is attached firmly and check regularly to confirm it remains secure during use.

2. Using the Kit

- Open the kit and familiarize yourself with the location of each item.
- In an emergency, assess the situation and determine the necessary supplies needed.
- Follow the instructions on each product for proper usage. For example:
 - **Trauma Gloves:** Put on the gloves before treating any wounds.
 - **Quikclot Dressing:** Apply directly to the wound and apply pressure as needed.
 - **Emergency Trauma Dressing:** Use as directed to control severe bleeding.
 - **SWATT Pressure Device:** Wrap around the injured area and tighten to control bleeding.
 - **Hypothermia Blanket:** Wrap the injured person to maintain body heat.
- After use, dispose of any single-use items properly.

Disposal Instructions

- Dispose of used medical supplies according to local regulations.
- Do not throw away used gloves or dressings in regular trash; use designated biohazard waste containers.

if available.

- Ensure that all items are disposed of safely to prevent injury to others.

Contact Information for Further Support

For any questions or concerns regarding the Trauma Kit NOW!, please refer to the contact information provided with your product packaging. It is important to have access to support for any safety inquiries.

Conclusion

By following these safety instructions and guidelines, you can ensure the effective and safe use of your Trauma Kit NOW! – MEDIUM. Always prioritize safety and seek professional medical assistance when necessary. Thank you for taking the time to understand how to use this essential medical kit responsibly.
