Safety Instruction Guide for METAL 24" TARGET STAND WITH KIT

Introduction

Thank you for choosing the METAL 24" Target Stand with Kit by Birchwood Casey. This product is designed to provide a stable and secure platform for your shooting targets. Please read this safety instruction guide carefully to ensure safe usage and compliance with the EU General Product Safety Regulation (GPSR).

General Safety Guidelines

- Always use the target stand in a safe and controlled environment.
- Ensure that the area around the target stand is clear of unauthorized personnel.
- Regularly inspect the target stand for any signs of wear or damage before each use.
- Store the target stand in a dry, safe location when not in use to prevent deterioration.
- Follow all local laws and regulations regarding shooting activities.

Specific Safety Precautions for Use

- Only use the target stand with targets that are 24 inches wide.
- Do not exceed the recommended weight limit for the target stand.
- Ensure that the target stand is placed on a stable surface to prevent tipping.
- Avoid using the target stand in extreme weather conditions, such as high winds or heavy rain.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.

Instructions for Installation and Usage

1. Unpacking the Kit

- Carefully remove all components from the packaging.
- Ensure that all parts are included and undamaged.

2. Assembly of the Target Stand

- Identify all parts: legs, support bars, and target holder.
- Follow these steps to assemble:
 - Attach the legs to the main frame securely.
 - Connect the support bars to the legs, ensuring they are tightly fastened.
 - Install the target holder at the desired height.

3. Setting Up the Target Stand

- Place the assembled target stand on a flat, stable surface.
- Ensure that the stand is level and secure.

4. Mounting the Target

- Securely attach the target to the target holder.
- Verify that the target is properly mounted and will not fall off during use.

5. Using the Target Stand

- Position yourself at a safe distance from the target stand when shooting.
- Always follow safe shooting practices and maintain control of your firearm.

Disposal Instructions

- When the target stand has reached the end of its life cycle, dispose of it in accordance with local regulations.
- Recycle any metal components if possible.
- Do not dispose of the product in regular household waste.

Contact Information for Further Support

For any safety inquiries or concerns regarding the METAL 24" Target Stand with Kit, please reach out to the designated EU contact point provided with your product.

Conclusion

By following these safety instructions, you can ensure a safe and enjoyable experience with your METAL 24" Target Stand with Kit. Always prioritize safety and compliance with local regulations while using this product. Thank you for your attention to these important guidelines.
