# Safety Instruction Guide for SELFHEALING WINDMILL TARGET

## Introduction

Thank you for choosing the SELFHEALING WINDMILL TARGET by SHOOTING MADE EASY. This product is designed for safe and enjoyable target shooting experiences. Please read this safety instruction guide carefully to ensure proper use and maintenance of the product.

## General Safety Guidelines

- Ensure that the target is used in a safe environment, away from people, animals, and property.
- Always wear appropriate eye protection when shooting.
- Use only suitable calibers as specified for this target.
- Do not use the target in adverse weather conditions, such as high winds or storms.
- Regularly inspect the target for wear and damage before each use.

## Specific Safety Precautions for Use

- This product is rated for all calibers; however, it is essential to use only ammunition that is appropriate for your firearm.
- Ensure that children are supervised by an adult when using this product.
- Do not modify the target or its components in any way.
- If the target becomes damaged or shows signs of wear, discontinue use immediately and replace it.
- Always ensure the shooting area is clear before firing.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a flat, stable area to install the target.
- Firmly push the target base into the ground until it is secure.
- Ensure that the target is upright and stable before use.

### 2. Usage:

- Stand at a safe distance as recommended for your shooting caliber.
- Aim carefully at the target and fire.
- Observe the target's spinning motion upon impact, which indicates successful hits.
- After shooting, inspect the target for any damage or wear.

## Disposal Instructions

- When the target has reached the end of its usable life, dispose of it in accordance with local waste disposal regulations.
- Do not burn or incinerate the product, as it may release harmful substances.

## Contact Information for Further Support

For any safety inquiries or additional support, please contact the manufacturer. Ensure you have the product details ready for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable shooting experience with your

SELFHEALING WINDMILL TARGET. Thank you for your attention to safety!
