Safety Instruction Guide for 2 Piece Shooting Bags

Introduction

Thank you for choosing the 2 Piece Shooting Bags from Shooting Made Easy. This guide provides essential safety instructions and guidelines to ensure the safe use of your shooting bags. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the shooting bags are used solely for their intended purpose, which is to provide stability and support for firearms during sighting in.
- Always supervise the use of the shooting bags around children and vulnerable individuals.
- Inspect the shooting bags before each use for any signs of wear or damage. Do not use if damaged.
- Keep the shooting bags away from extreme heat, moisture, and direct sunlight to maintain their integrity and performance.
- Use the shooting bags in a safe environment, away from busy areas and obstacles.

Specific Safety Precautions for Use

- Do not exceed the weight limit of the bags when filling them with media. Overfilling can lead to instability.
- Ensure the bags are placed on a stable and level surface to prevent tipping or slipping.
- Avoid using sharp or pointed objects on the surface of the bags to prevent puncturing or tearing.
- When transporting the bags, ensure they are securely closed to prevent spillage of the filler material.
- Always handle firearms safely and in accordance with local laws and regulations.

Instructions for Installation and Usage

1. Filling the Bags:

- Open the bags and fill them with your desired media (e.g., sand, corn, rice, birdseed) or use the inert polybead filler provided.
- Ensure the bags are filled to a level that provides adequate weight and stability but does not exceed the recommended weight limit.
- Close the bags securely after filling.

2. Using the Bags:

- Position the front bag under the forend of the rifle and the rear bag under the stock.
- Adjust the position of the bags as needed to achieve the desired height and stability.
- Always ensure that the rifle is pointed in a safe direction when adjusting the bags.

3. Transporting the Bags:

- Use the quick connect feature to easily transport the bags.
- Ensure that the bags are empty or securely closed when transporting to avoid spillage.

Disposal Instructions

- Dispose of the bags in accordance with local waste disposal regulations.
- If the bags are damaged beyond repair, consider recycling materials where possible.

- Do not dispose of filler material in water sources or environmentally sensitive areas.

Contact Information for Further Support

For any safety inquiries or support regarding the 2 Piece Shooting Bags, please refer to the manufacturer's contact information provided with the product packaging.

Conclusion

By following these safety instructions and guidelines, you can ensure a safe and enjoyable experience with your 2 Piece Shooting Bags. Always prioritize safety and responsibility when handling firearms and associated equipment. Thank you for your attention to these important safety measures.
