# FOAM MAGNET GUN REST SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the FOAM MAGNET GUN REST by Shooting Made Easy. This product is designed to provide a safe and convenient way to rest your firearms or fishing poles without causing damage. Please read these safety instructions carefully to ensure proper use and maintenance of the product.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always inspect the gun rest before use for any signs of wear or damage.
- Keep the gun rest out of reach of children and vulnerable individuals.
- Always follow local laws and regulations regarding firearm handling and storage.
- Report any unsafe products or incidents to local authorities.

## Specific Safety Precautions for Use

- Do not exceed the capacity of three firearms or fishing poles on the gun rest.
- Ensure that the magnetic strip is securely attached to a metal surface before placing any items on the rest.
- Avoid placing heavy or oversized items that may exceed the structural integrity of the foam material.
- Do not use the gun rest in wet or damp conditions, as moisture can affect its performance.
- Always ensure that firearms are unloaded and secured before placing them on the gun rest.

## Instructions for Installation and Usage

### 1. Installation:

- Choose a clean and dry metal surface for attachment.
- Firmly press the magnetic strip of the gun rest against the metal surface to ensure a secure hold.
- Check that the gun rest is stable and does not wobble.

### 2. Usage:

- When resting a firearm or fishing pole, ensure that it is placed securely against the foam.
- Avoid leaning or applying excessive force on the gun rest while items are placed on it.
- Regularly check the stability of the gun rest during use to ensure safety.

## Disposal Instructions

- Dispose of the foam gun rest in accordance with local waste management regulations.
- If the product is damaged or no longer usable, do not attempt to repair it. Dispose of it responsibly to prevent environmental harm.
