# RAZOR FREEDOM SERIES MUFFS USER SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the Razor Freedom Series Muff. This product is designed to provide effective hearing protection while ensuring comfort and convenience. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- **Product Safety:** Always ensure that the product is used in accordance with the provided instructions. The Razor Freedom Muff is designed to meet safety standards for nonfood products.
- **Enhanced Recalls:** Stay informed about product recalls. In case of any safety concerns, check the EU Safety Gate platform for updates.
- **Online Shopping:** If purchased online, ensure that the seller complies with safety requirements similar to those of physical stores.
- **Special Consumer Focus:** This product is not intended for use by children without adult supervision. Ensure that it is kept out of reach of young children.
- **EU Contact Point:** For any safety inquiries, refer to the contact information provided by the retailer or manufacturer.
- **Rapid Alerts:** Be aware of any rapid alerts regarding unsafe products through the Safety Gate system.

## Specific Safety Precautions for Use

- **Hearing Protection:** The Razor Freedom Muff is designed to reduce noise levels. Always wear it in noisy environments to protect your hearing.
- **Battery Safety:** Use only the recommended 2 “AAA” batteries. Do not mix old and new batteries or different brands.
- **Comfort and Fit:** Ensure that the ear cups fit snugly over your ears to maximize sound protection. Adjust the headband for a secure fit without discomfort.
- **Avoid Water Exposure:** Keep the product dry. Avoid using it in wet conditions to prevent damage to electronic components.
- **Regular Inspection:** Before each use, inspect the product for any signs of damage or wear. Do not use if damaged.

## Instructions for Installation and Usage

### 1. Inserting Batteries:

- Open the external battery door.
- Insert 2 “AAA” batteries, ensuring correct polarity is observed.
- Close the battery door securely.

### 2. Adjusting the Headband:

- Hold the muffs by the ear cups.
- Gently pull or push the headband to adjust for a comfortable fit.

### 3. Using the Audio Input Jack:

- Connect your audio device to the audio input jack.
- Adjust the volume using the recessed volume control knob to a comfortable level.

#### 4. **Activating the Sound Activated Compression:**

- Ensure the product is turned on.
- The sound activated compression feature will engage automatically, providing a reaction time of 0.02 seconds to loud sounds.

#### 5. **Folding the Muffs:**

- To store the muffs, gently fold the ear cups inward.
- Ensure they are stored in a dry place to prevent damage.

## **Disposal Instructions**

- **Battery Disposal:** Dispose of used batteries according to local regulations for battery recycling.
- **Product Disposal:** When the product reaches the end of its life, dispose of it in accordance with local waste management regulations. Do not dispose of the product in general household waste.
- **Environmental Considerations:** Consider recycling or donating the product if it is still in working condition.

## **Contact Information for Further Support**

For further assistance or inquiries about the Razor Freedom Series Muff, please refer to the contact details provided by the retailer or manufacturer at the time of purchase.

By following these guidelines, you can ensure the safe and effective use of your Razor Freedom Series Muff. Thank you for your attention to safety!
