

6MM BR NORMA BRASS CASE - 6MM BR NORMA BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Norma Brass provides the serious reloader a premium grade, quality cartridge to reload. Norma Brass is bulk packed from the same lot. We try to keep a good supply of brass in inventory, but due to factory production and delivery delays, we may occasionally be out of some cartridges. Norma Brass is made to such exact standards that the cartridges typically include machined case heads, drilled (not punched) flash holes and close tolerance wall thickness.

Attributes

- Name: [6MM BR NORMA BRASS 50/BOX](#)
- Manufacturer: [NORMA](#)
- Product no.: 430101046
- Mfr. No.: 10260152

Safety Instruction Guide for 6MM BR NORMA BRASS CASE

Introduction

Thank you for choosing the 6MM BR NORMA BRASS CASE. This product is designed for serious reloaders looking for a premiumgrade cartridge. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle ammunition with care, treating every cartridge as if it were live.
- Store ammunition in a cool, dry place away from direct sunlight and heat sources.
- Keep ammunition out of reach of children and unauthorized persons.
- Use only in accordance with local laws and regulations.
- Regularly check for any recalls or safety alerts related to your ammunition.

Specific Safety Precautions for Use

- Ensure you are using the correct type of brass case for your firearm.
- Inspect each cartridge for any signs of damage or defects before use.
- Always wear appropriate safety gear, including eye and ear protection, when reloading or shooting.
- Follow the manufacturer's specifications for reloading, including powder type and charge weight.
- Never exceed recommended load limits as specified in reloading manuals.

Instructions for Installation and Usage

- Read all instructions provided with your reloading equipment before use.
- Ensure your reloading workspace is clean and organized to prevent accidents.
- When reloading:
 - Use a scale to measure powder accurately.
 - Ensure that the case is properly seated in the reloading press.
 - Check for proper seating depth according to specifications.
- After reloading, store completed cartridges in a designated, labeled container.
- Before firing, ensure your firearm is clean and in good working condition.

Disposal Instructions

- Dispose of any damaged or defective cartridges according to local hazardous waste regulations.
- Do not dispose of cartridges in regular household waste.
- Contact your local waste management authority for guidance on safe disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns, please consult the manufacturer or your local firearms authority. Always ensure you have access to updated safety information and guidelines.

By following these safety instructions, you can help ensure a safe and enjoyable reloading experience. Thank you for your attention to safety.
