

300 WSM BRASS CASE - NORMA 300 WINCHESTER SHORT MAGNUM BRASS 50/BOX

[Reloading](#) > [Brass](#) > [Rifle Brass](#)

Norma Brass provides the serious reloader a premium grade, quality cartridge to reload. Norma Brass is bulk packed from the same lot. We try to keep a good supply of brass in inventory, but due to factory production and delivery delays, we may occasionally be out of some cartridges. Norma Brass is made to such exact standards that the cartridges typically include machined case heads, drilled (not punched) flash holes and close tolerance wall thickness.

Safety Instruction Guide for 300 WSM Brass Case

Introduction

Thank you for choosing the 300 WSM Brass Case by Norma. This product is designed for serious reloaders seeking highquality brass for reloading ammunition. To ensure your safety and the safe use of this product, please read and follow the guidelines outlined in this manual.

General Safety Guidelines

- Always handle ammunition components with care.
- Store brass cases in a cool, dry place away from direct sunlight.
- Inspect brass cases for damage before use.
- Keep brass cases out of reach of children and vulnerable individuals.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about product recalls and safety updates via the EU Safety Gate platform.

Specific Safety Precautions for Use

- Ensure you are using the correct type of brass for your specific firearm.
- Wear appropriate safety gear, including safety glasses and gloves, when reloading.
- Follow the manufacturer's guidelines for reloading to avoid overloading or underloading cartridges.
- Check for proper seating of bullets in the brass cases before use.
- Avoid using damaged or deformed brass cases, as they may cause malfunctions or accidents.

Instructions for Installation and Usage

1. Inspection of Brass Cases

- Before reloading, inspect each brass case for cracks, dents, or other signs of wear.
- Discard any damaged cases to prevent accidents.

2. Reloading Process

- Clean the brass cases thoroughly before reloading.
- Use the appropriate tools and equipment for resizing, priming, and seating bullets.
- Follow the recommended powder charges and bullet seating depths for your specific load.

3. Firing the Reloaded Ammunition

- Use only in firearms that are designed for 300 WSM cartridges.
- Ensure the firearm is in good working condition before firing.
- Always point the firearm in a safe direction and keep your finger off the trigger until ready to shoot.

4. PostUse Care

- After using the brass cases, clean them to remove residues.
- Store reloaded ammunition in a safe and secure location.

Disposal Instructions

- Dispose of any damaged or unusable brass cases according to local regulations.
- Do not dispose of brass cases in regular household waste.

- Consider recycling brass cases through local recycling programs.

Contact Information for Further Support

For any questions or concerns regarding the safety and use of this product, please contact your local distributor or retailer.

By following these guidelines, you can ensure a safe and enjoyable reloading experience with the 300 WSM Brass Case. Thank you for your attention to safety.
