# Safety Instruction Guide for XSIGHT 4K PRO 314X SMART DAY/NIGHT RIFLE SCOPE

## Introduction

Thank you for choosing the ATN XSight 4K Pro 314X Smart Day/Night Rifle Scope. This guide provides essential safety instructions, ensuring the safe use of your product in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully and keep it for future reference.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a rifle scope.
- Always handle the scope with care to prevent damage.
- Be aware of your surroundings and ensure a safe environment when using the scope.
- Keep the scope out of reach of children and vulnerable individuals.
- Check for any visible damage or defects before use. Do not use the product if damaged.
- Follow all local laws and regulations regarding the use of optical devices and firearms.

## Specific Safety Precautions for Use

- **Night Vision Mode:** Use night vision mode responsibly. Ensure that you are in a safe location and aware of your surroundings.
- **Video Recording:** When using the video recording feature, ensure that you have the consent of any individuals being recorded.
- **WiFi and Bluetooth Connectivity:** Protect your device by using secure passwords and not sharing personal information when streaming or connecting to other devices.
- **Battery Safety:** Do not expose the internal lithiumion battery to extreme temperatures or physical damage. Follow the battery life guidelines to ensure optimal performance.
- **Weather Resistance:** Although the scope is weatherresistant, avoid exposing it to heavy rain or submerging it in water.
- **Reticles and Settings:** Familiarize yourself with the different reticle patterns and settings to ensure proper usage during various conditions.

## Instructions for Installation and Usage

### 1. Installation:

- Mount the scope securely on your rifle using the included 30 mm standard rings.
- Ensure that the scope is properly aligned and tightened to avoid movement during use.
- Adjust the eye relief to ensure comfortable viewing.

### 2. Powering On:

- Press the power button to turn on the scope.
- Allow the device to initialize before using any features.

### 3. Adjusting Magnification:

- Use the magnification dial to adjust the zoom level from 3x to 14x as needed.

### 4. Using Night Vision Mode:

- Switch to night vision mode for lowlight conditions.

- Adjust the brightness settings to suit your environment.

#### **5. Recording Video:**

- To record, press the designated recording button.
- Ensure that you have sufficient storage on the micro SD card (4 to 64 GB recommended).

#### **6. WiFi and Streaming:**

- Connect your device to the scope via WiFi for streaming.
- Follow the onscreen instructions to link your smartphone or tablet.

#### **7. Battery Maintenance:**

- Charge the internal lithiumion battery regularly and avoid letting it drain completely.

#### **8. PostUse Care:**

- Clean the lens with a soft, dry cloth.
- Store the scope in a cool, dry place when not in use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the lithiumion battery in regular waste. Follow local guidelines for battery disposal.
- Consider recycling options for the scope and its packaging if available.

## **Contact Information for Further Support**

For any inquiries regarding safety or product use, please consult the manufacturer's website or customer service resources.

Thank you for your attention to these safety guidelines. Enjoy your ATN XSight 4K Pro 314X Smart Day/Night Rifle Scope responsibly and safely.
