Safety Instruction Guide for ATN XSIGHT 4K PRO 314X SMART DAY/NIGHT RIFLE SCOPE

Introduction

Thank you for choosing the ATN XSight 4K Pro 314X Smart Day/Night Rifle Scope. This product is designed to enhance your hunting and shooting experience with advanced features. However, it is essential to use this product safely and responsibly. This guide provides important safety instructions and guidelines to ensure your safety and the safety of others while using this product.

General Safety Guidelines

- Always read and understand the user manual before using the scope.
- Ensure that the rifle scope is used only by individuals who are trained and experienced in handling firearms.
- Keep the product out of reach of children and vulnerable individuals.
- Regularly inspect the scope for any signs of damage or malfunction.
- Use the scope only for its intended purpose as described in the user manual.
- Be aware of your surroundings and ensure that you have a clear line of sight before using the scope.
- Follow all local laws and regulations regarding the use of firearms and optical devices.

Specific Safety Precautions for Use

- **Magnification:** Use the magnification settings responsibly. High magnification can reduce the field of view and may make it difficult to track moving targets.
- **Night Vision Mode:** When using night vision mode, be cautious of sudden bright lights, as they can damage the sensor.
- **WiFi Streaming:** Ensure that you are in a safe location when using the WiFi streaming feature. Do not share sensitive information while streaming.
- **Battery Safety:** Only use the recommended internal lithium-ion battery. Avoid exposing the battery to extreme temperatures, moisture, or physical damage.
- **Weather Resistance:** Although the scope is weather resistant, avoid submerging it in water or exposing it to heavy rain for extended periods.
- **Reticles:** Familiarize yourself with the different reticle patterns and colors available. Choose the one that best suits your environment and lighting conditions.

Instructions for Installation and Usage

1. Installation:

- Ensure your rifle is unloaded and pointed in a safe direction.
- Attach the scope to the rifle using the provided 30 mm standard rings.
- Tighten the mounting screws securely but avoid overtightening.
- Adjust the scope to your preferred position for comfort and visibility.

2. Usage:

- Turn on the scope using the power button.
- Select the desired magnification setting (314x) using the zoom controls.
- Activate the night vision mode if needed.
- Use the smart range finder and ballistic calculator for accurate targeting.
- Record video by activating the video recording feature, ensuring you have sufficient battery life.
- After use, turn off the scope to conserve battery life.

Disposal Instructions

- Dispose of the product according to local regulations regarding electronic waste.
- Remove the battery before disposal and recycle it at designated battery recycling points.
- Do not dispose of the scope in regular household waste.

Contact Information for Further Support

For any safety inquiries or support regarding the ATN XSight 4K Pro 314X Smart Day/Night Rifle Scope, please refer to the manufacturer's website or contact your local distributor for assistance.

Thank you for your attention to these safety guidelines. Proper use and care of your ATN XSight 4K Pro 314X Smart Day/Night Rifle Scope will ensure a safe and enjoyable experience.
