# ATACR 18X24MM FFP FCDM Reticle Safety Instructions

## Introduction

Thank you for choosing the Nightforce Optics ATACR 18x24mm Scope. This guide provides essential safety instructions to ensure the safe and effective use of your new rifle scope. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the product is used by individuals who are familiar with firearms and optics.
- Always follow local laws and regulations regarding the use of firearms and optics.
- Store the scope in a safe, dry place when not in use to prevent damage.
- Regularly inspect the scope for any signs of wear or damage.
- Avoid exposing the scope to extreme temperatures, humidity, or harsh chemicals.

## Specific Safety Precautions for Use

- **Eye Protection:** Always wear appropriate eye protection when using a firearm equipped with this scope.
- **Mounting:** Ensure the scope is securely mounted to the rifle to prevent accidents during use.
- **Handling:** Handle the firearm with care and always treat it as if it is loaded.
- **Children and Vulnerable Groups:** Keep the scope out of reach of children and individuals who may not understand its proper use.
- **Battery Safety:** Use only the specified CR2032 battery. Do not attempt to recharge nonrechargeable batteries. Dispose of batteries properly and in accordance with local regulations.

## Instructions for Installation and Usage

### 1. Installation:

- Select a suitable mounting base for your rifle.
- Securely attach the scope to the mounting base, ensuring it is level and aligned with the barrel.
- Tighten the mounting screws to the manufacturer's specifications.

### 2. Using the Scope:

- Adjust the magnification by turning the Integrated Power Throw Lever.
- To use the illuminated reticle, activate it by pressing the appropriate button. Ensure the battery is installed correctly.
- Use the lowprofile adjustment turrets to make necessary adjustments to windage and elevation.

### 3. Maintenance:

- Regularly clean the lenses with a soft, lintfree cloth.
- Avoid using harsh chemicals or abrasive materials on the scope.
- Store the scope in a protective case when not in use.

## Disposal Instructions

- Dispose of the scope and any accessories in accordance with local regulations.
- For battery disposal, follow local guidelines for hazardous waste.

## **Contact Information for Further Support**

For further assistance or inquiries regarding safety, please refer to your local Nightforce Optics dealer or visit the official Nightforce Optics website.

Thank you for your attention to these safety instructions. Enjoy your ATACR 18x24mm Scope responsibly and safely.
