## Helps You Attain the Full Potential of Your Rifle / Cartridge Combo

Think of the Nightforce ATACR 7-35x56mm F1 as the long-range riflescope that doesn't give you tunnel vision. This powerful version of the Advanced TACTical Riflescope offers an unusually wide field of view across its extensive magnification range, so the target is both easy to find and easy to hit, even when you need to dial up the magnification. The ATACR 7-35x56mm F1 scope has a first focal plane (F1) reticle that ensures pin-point ranging calculations and fast hold-off adjustments. Nightforce's fully multicoated, low-dispersion ED glass delivers more than 90% light transmission, crisp images, excellent contrast, and outstanding color. Parallax adjustment down to 10 meters ZeroStop™ elevation adjustment for quick return-to-zero without counting clicks or looking at the turret DigIllum Illuminated reticle Built-in Power Throw Lever (PTL) for fast magnification changes 34mm tube gives you 20% more elevation travel than a 30mm tube With its industry-leading ATACR optics and an easy-to-operate suite of controls, the Nightforce ATACR 7-35x56mm F1 enables you to address close-in targets as well as those at the limits of your rifle and cartridge. Whether your game is extreme long-range shooting or PRS (Precision Rifle Series) - ATACR 7-35x56mm F1 set you up to win at both.

# Safety Instruction Guide for Nightforce ATACR 735X56MM F1 Rifle Scope

## Introduction

Thank you for choosing the Nightforce ATACR 735X56MM F1 Rifle Scope. This guide provides important safety instructions and guidelines to ensure the safe use and handling of your riflescope. Please read this manual carefully before use.

## General Safety Guidelines

- Ensure safe use of all nonfood products, including this riflescope.
- Be aware of potential risks associated with the use of optical devices.
- Check for updates and recalls regarding the product on the EU Safety Gate platform.
- Report any unsafe products or accidents to the relevant authorities.
- Ensure that all users, especially vulnerable groups, are advised on safe handling and usage.

## Specific Safety Precautions for Use

- Always use the riflescope in a safe and responsible manner.
- Do not use the riflescope while under the influence of drugs or alcohol.
- Ensure that the riflescope is securely mounted to your rifle before use.
- Regularly inspect the riflescope for any signs of damage or wear.
- Keep the riflescope out of reach of children and unauthorized users.
- Use appropriate eye protection when using the riflescope.

## Instructions for Installation and Usage

### 1. Mounting the Scope:

- Choose a suitable mounting base compatible with your rifle.
- Securely attach the riflescope to the mounting base, following the manufacturer's instructions.
- Ensure that the scope is level and properly aligned with the rifle barrel.

### 2. Zeroing the Scope:

- Set up a target at a known distance.
- Adjust the elevation and windage turrets to align the reticle with the point of impact.
- Use the ZeroStop™ feature for quick return to zero adjustments.

### 3. Adjusting Magnification:

- Use the builtin Power Throw Lever (PTL) for fast magnification changes.
- Make sure to adjust the magnification according to the shooting distance and conditions.

### 4. Illumination Settings:

- Activate the DigIllum illuminated reticle as needed for lowlight conditions.
- Adjust the brightness settings to suit your environment.

### 5. Parallax Adjustment:

- Adjust the parallax setting to ensure accurate targeting at distances down to 10 meters.

## **Disposal Instructions**

- Dispose of the riflescope in accordance with local regulations regarding electronic waste.
- Do not dispose of the product in regular household waste.
- Remove batteries (if applicable) and dispose of them according to local battery disposal guidelines.

## **Contact Information for Further Support**

For any safety inquiries or support regarding your Nightforce ATACR 735X56MM F1 Rifle Scope, please refer to the manufacturer's official website or contact your local retailer.

Thank you for your attention to these safety guidelines. Enjoy your shooting experience with the Nightforce ATACR 735X56MM F1 Rifle Scope.
