## Helps You Attain the Full Potential of Your Rifle / Cartridge Combo

Think of the Nightforce ATACR 7-35x56mm F1 as the long-range riflescope that doesn't give you tunnel vision. This powerful version of the Advanced TACTical Riflescope offers an unusually wide field of view across its extensive magnification range, so the target is both easy to find and easy to hit, even when you need to dial up the magnification. The ATACR 7-35x56mm F1 scope has a first focal plane (F1) reticle that ensures pin-point ranging calculations and fast hold-off adjustments. Nightforce's fully multicoated, low-dispersion ED glass delivers more than 90% light transmission, crisp images, excellent contrast, and outstanding color. Parallax adjustment down to 10 meters ZeroStop™ elevation adjustment for quick return-to-zero without counting clicks or looking at the turret DigiIllum Illuminated reticle Built-in Power Throw Lever (PTL) for fast magnification changes 34mm tube gives you 20% more elevation travel than a 30mm tube With its industry-leading ATACR optics and an easy-to-operate suite of controls, the Nightforce ATACR 7-35x56mm F1 enables you to address close-in targets as well as those at the limits of your rifle and cartridge. Whether your game is extreme long-range shooting or PRS (Precision Rifle Series) - ATACR 7-35x56mm F1 set you up to win at both.

# Safety Instruction Guide for the Nightforce ATACR 735X56MM F1 Rifle Scope

## Introduction

Thank you for choosing the Nightforce ATACR 735X56MM F1 Rifle Scope. This guide provides essential safety instructions to ensure the safe use and maintenance of your riflescope. It is important to read and understand these guidelines to maximize your safety and the performance of your product.

## General Safety Guidelines

- Ensure that the riflescope is used only for its intended purpose.
- Always handle the riflescope with care to avoid damage.
- Keep the riflescope out of reach of children and vulnerable individuals.
- Regularly inspect the riflescope for any signs of damage or wear.
- Store the riflescope in a safe, dry place when not in use.
- Follow all local laws and regulations regarding the use of riflescopes.

## Specific Safety Precautions for Use

- **Hazard Identification:**
  - Improper use of the riflescope may lead to accidents or injuries.
  - Ensure that the riflescope is securely mounted to your rifle to prevent detachment during use.
- **Avoiding Hazards:**
  - Always ensure that the area is clear of people and obstacles before using the riflescope.
  - Do not look directly at the sun or any bright light source through the riflescope, as this can cause serious eye damage.
  - Be aware of your surroundings and ensure that you are in a safe location when using the riflescope.
- **Age Specific Warnings:**
  - This product is not intended for use by individuals under the age of 18 without adult supervision.
  - Young users should be educated on the safe handling and operation of the riflescope.

## Instructions for Installation and Usage

- **Installation:**
  - Carefully read the manufacturer's instructions before installation.
  - Ensure that the mounting rings are compatible with the 34mm tube of the riflescope.
  - Securely attach the riflescope to the rifle, ensuring it is level and properly aligned.
  - Use a torque wrench to tighten the mounting screws to the manufacturer's specifications.
- **Usage:**
  - Adjust the magnification using the Power Throw Lever (PTL) for quick changes.
  - Use the parallax adjustment to ensure clarity at your target distance, down to 10 meters.
  - Familiarize yourself with the DigIllum illuminated reticle for optimal targeting in lowlight conditions.
  - Always check your zero before heading out for a shooting session.

## Disposal Instructions

- Dispose of the riflescope in accordance with local regulations regarding electronic and optical devices.
- If the product is damaged beyond repair, ensure that it is recycled or disposed of in a manner that prevents environmental harm.

## Contact Information for Further Support

For any inquiries regarding safety, usage, or maintenance of the Nightforce ATACR 735X56MM F1 Rifle Scope, please refer to the manufacturer's website or contact their customer support. Ensure that you have your product details ready for assistance.

By following these safety guidelines, you can ensure a safe and enjoyable experience with your Nightforce ATACR 735X56MM F1 Rifle Scope. Always prioritize safety and responsible use.
