[Optics & Mounting](#) > [Scopes](#) > [Rifle Scopes](#)

The NX8 2.5-20x50 F1 riflescope is an ultra-compact and capable riflescope. Building upon the legendary durability of the NXS family from Nightforce, the NX8 adds first focal plane performance with an 8x zoom range in a small package. This wide zoom range allows for fast engagements at close range along with the ability to detect, identify and engage targets at long range. Other features include the ZeroStop elevation adjustment for a rapid return to zero. The 50mm objective is optimized for resolution and light transmission, with a parallax adjustment coming as close as 11 yards. The integrated PTL (Power Throw Lever) makes power changes fast and easy. The performance available in such a compact size makes the NX8 2.5-20x50 F1 a perfect choice for your favorite semi-auto precision rifle or compact bolt-action rifle. 8x zoom range Red and Green Illumination 32 MRAD/110 MOA total Elevation 23 MRAD/80 MOA total Windage ED Glass Parallax from 11 yards to infinity ZeroStop for elevation Capped Windage

# NX8 2.520X50MM F1 Rifle Scopes Safety Instructions

## Introduction

Thank you for choosing the NX8 2.520X50MM F1 Rifle Scope. This guide provides essential safety instructions to ensure the safe and effective use of your riflescope. Please read this manual carefully and keep it for future reference.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as a riflescope for precision shooting.
- Always follow local laws and regulations regarding the use of firearms and optics.
- Store the riflescope in a safe and secure location to prevent unauthorized access, especially by children.
- Regularly inspect the riflescope for any signs of damage or wear before use.
- If you notice any defects or issues, refrain from using the product and contact customer support.

## Specific Safety Precautions for Use

- Always handle firearms and optics with care and respect.
- Use appropriate eye protection when using the riflescope.
- Ensure that the riflescope is securely mounted to the firearm before use.
- Do not look directly at the sun through the riflescope, as this can cause severe eye damage.
- Be aware of your surroundings and ensure you have a clear line of sight when aiming.
- Do not point the firearm at anything you do not intend to shoot.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded before mounting the riflescope.
- Use the provided mounting rings to securely attach the riflescope to the firearm's rail.
- Tighten the mounting screws to the manufacturer's specifications to prevent movement during use.
- Adjust the eyepiece for a clear sight picture.

### 2. Usage:

- Adjust the magnification using the Power Throw Lever (PTL) for quick changes.
- Use the parallax adjustment to ensure accuracy at various distances, starting from 11 yards.
- Utilize the ZeroStop elevation adjustment to return to your zero setting quickly after making adjustments.
- Choose between Red and Green Illumination settings based on your preference and lighting conditions.

## Disposal Instructions

- Dispose of the riflescope in accordance with local regulations.
- Do not dispose of the product in household waste.
- If the product is no longer usable, consider recycling components where possible.

## Contact Information for Further Support

For any safety inquiries, product support, or to report unsafe products, please reach out to your local authorized dealer or check the manufacturer's website for contact details.

By following these safety instructions, you can ensure a safe and enjoyable experience with your NX8 2.520X50MM F1 Rifle Scope. Always prioritize safety and responsible usage. Thank you for your attention.
